Proceedings of the Madras Government, Revenue Department, 9th May 1862.

No. 208. Read the following Proceedings of the Board of Revenue, dated 17th April 1862, No. 2,542 :—

Read the following letter from J. I. MINCHIN, Esq., Collector of Kurnool, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Yerrachalema, 3rd April 1862, No. 21.

SIR,

1. I have the honor to forward, for the favorable consideration of the Board, the accompanying Memorial from Deputy Collector M. Soobaroyaloo Naidoo, praying for restoration to his former rank as 3rd Class Deputy Collector, with arrears of pay from the date of his degradation to 4th Class, and to be transferred to some District on the coast, as his health has suffered from the trying climate of his present station.

2. I have already reported favorably to the Board of this Deputy Collector's proceedings since his arrival in this District, and I have since had proof of the great assiduity he has shown in the assessment of the Income tax in his Táluqs, which he appears to have carried out in a most creditable manner, as well as in his general Revenue Settlement.

3. Considering his great zeal, and excellent intentions as a Government Officer, I shall be glad to hear of his obtaining restoration to his former rank.

To the PRESIDENT AND MEMBERS of the Board of Revenue,
Fort Saint George.

The humble Memorial of M. Soobaroyaloo Naidoo,
Deputy Collector of Kurnool.

RESPECTFULLY SHEWETH,

1. That your Memorialist, after 25 years' service under Government, and holding the responsible post of Interpreter in the Supreme Court, the emoluments of which office were superior to those of a 3rd Class Deputy Collector, accepted the latter office on its creation under Lord Harris, on the recommendation of the Supreme Court Judges, in consideration of the honorable position thereby conferred, and in hopes of further promotion.

2. That your Memorialist, having been directed to undergo a preliminary examination, was specially exempted from the same after personal inquiry by the late Governor, His Excellency Sir Charles Trevelyan, on the ground of his legal acquirements as is shown by the Enclosure B.

3. That your Memorialist being posted to the Nellore District, humbly endeavouring to devote himself to his new duties, had the satisfaction of obtaining from the Collector, Mr. Elton, the enclosed testimonial marked A., and looked confidently to success in the new line of life on which he had entered.

4. That to your Memorialist's great misfortune Mr. Elton left the country, and that your Memorialist by the accident of manner, and most unintentionally on his part, fears that he had not the good will, and knows that he failed to obtain the confidence of Mr. Elton's successor.

5. That your Memorialist trusts that he may be allowed to state with all respect, that Mr. Dykes refused his services, and did not allow him the opportunity of proving his capacity to perform the duties of a Deputy Collector.

6. That harassed by such want of confidence, and the repeated journeys which he made in the train of the Collector's Kacheri, to which mode of life he was not previously accustomed, your Memorialist lost his health, and your Board recommended that he should be changed to another District more suitable to his constitution, and where free from the disheartening effects of previous failure, your Memorialist might have the opportunity of retrieving his character.

7. That your Memorialist was in consequence transferred by the Government to the Kurnool District, and on the injurious representations as to his efficiency made by Mr. Dykes, was at the same time reduced to the 4th Class of Deputy Collector.

8. That your Memorialist, while he felt most keenly this degradation, joined his new District, in the confident hope that the opportunity would be afforded him to recover the high character which he felt that he had lost more by his misfortune than by his fault.

wherein he observed
that since his return

9. That the climate of Koilkuntla, where your Memorialist has been stationed, has been most trying to his health and constitution, accustomed as he had been till that period to the milder climate of the coast, and the comforts obtainable only in the Presidency. That in spite of failing health, your Memorialist has devoted himself faithfully to the discharge of the duties entrusted to him, which comprised the whole charge of two large and important Táluqs.

10. That your Memorialist, as your Board is aware, has had the good fortune to secure the confidence of the Collector of his present District, who reported favorably to your Board on your Memorialist's integrity, ability, and business habits.

11. That your Memorialist, having satisfied the requirements of two Collectors under whom he has worked, as to his qualifications for the proper performance of a Deputy Collector's duties, would rest his case on the testimonials formerly obtained by him, to which Sir Charles Trevelyan alluded in exempting him from the necessity of passing an examination, on the high character which years of honorable service procured for him in the Supreme Court, and on the justice of the Government of which he has so long been a faithful servant.

12. That, in conclusion, your Memorialist humbly trusts that your Board will be pleased to submit his case to Government, with a recommendation that he may be restored to his former rank as 3rd Class Deputy Collector, from the date of his previous unmerited degradation, and that he may be changed to a District, the climate of which may be more suited to his constitution, so that with renovated health, your Memorialist may more efficiently discharge the duties that have been entrusted to him.

And your Memorialist as in humble duty bound shall ever pray.

Serivel Táluq,
1st April 1862.

M. SOOBAROYALOO NAIDOO,
Deputy Collector.

I have the pleasure to state that, during the short time that M. Soobaroyaloo Naidoo has served under me as Deputy Collector and Magistrate, he has given me much satisfaction by the careful way in which he has investigated and reported on cases referred to him.

Nellore,
13th June 1859.

(Signed) F. B. ELTON, *Collector.*

Sir,

1. His Excellency, considering your long employment in public duties, and the creditable testimonials you have produced, is of opinion that you should not be required to pass the examination you were directed to undergo, and he has intimated the same to the Secretary to Government.

2. Your promotion to a higher class will depend on the satisfaction you give to your superiors.
