Proceedings of the Madras Government, Revenue Department, 10th May 1862.

No. 210. Read the following Proceedings of the Board of Revenue, dated 12th April 1862, No. 2,447:—

Read the following letter from J. FRASER, Esq., Acting Collector of North Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Chittoor, 2nd April 1862, No. 61.

SIR,

No. 688 of 28th March 1862.

1. With reference to the Proceedings of Government, noted marginally, regarding the rate of Seigniorage to be levied in future on Red Sanders-wood in the jungles of this District, which are contiguous to Cuddapah, I have the honor to state that I do not consider 3 Rupees a bandy load too high a rate, and would suggest its being adopted.

2. The reason why the rate has hitherto been so much lower here than in Cuddapah, is that in this District, only stumps and root of old trees and a few saplings are procurable; while in Cuddapah to my own knowledge, beams of a size sufficient for house-building were to be had till within the last few years. Though 3 Rupees a bandy load may seem a high rate of Seigniorage for the supplies now procurable here, still as a matter of conservancy, such a rate as will stop in some measure the reckless cutting of young wood ought to be imposed; and I think 3 Rupees a bandy load will suffice in this point of view.

---

1. Submitted to Government with reference to the Proceedings quoted by the Acting Collector.

2. The Board quite concur with Mr. Fraser in the propriety of levying such a rate of Seigniorage in the Red Sanders-wood of the North Arcot jungles as will prevent the wholesale destruction of this valuable article, which seems to have been in progress under the old rate of one Rupee per bandy load.
