Proceedings of the Madras Government, Revenue Department,
13th May 1862.

No. 249. Read the following letter from Colonel JOHN HILL, Commissary General, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 11th April 1862, No. 24:—

SIR,

20th December 1859. 1. With reference to Proceedings of Government No. 1,731, I have the honor to request you will do me the favor to inform me if there is any prospect of Mr. Wainhouse, who was recommended by my predecessor for the appointment of Deputy Collector, being employed as such.

2. I am induced to trouble you on this subject, as the Committee now sitting to enquire into Commissariat Establishments have recommended that the situation now held by Mr. Wainhouse be reduced to Rupees 100 a month on being vacated by him, and as from the other large reductions recommended by the Committee, there is no hope of promotion for that gentleman in this Department, a monthly saving to the State of Rupees 100 would be effected were he otherwise provided for.

3. The accompanying extracts will show the opinion of my predecessor regarding Mr. Wainhouse, and he has given me every satisfaction during the short time I have been Commissary General.

4. Mr. Wainhouse was formerly employed in the Civil Department, so would be available for duty at once, he brought with him very high testimonials which have been unfortunately lost; but there can be no doubt of their nature, it being on them and the examination Mr. Wainhouse underwent that General Tulloch selected him in preference to numerous candidates for the situation of Head Writer in the Current Department of this Office on Rupees 200 a month.

No. 250. ORDER THEREON, 13th May 1862, No. 1,054.

Mr. Wainhouse's name has been registered as an applicant for a Deputy Collectorship, but there is no present prospect of his services being required in that capacity.

(Signed) C. G. MASTER,
Deputy Secretary to Government.

Extract from a letter No 75, dated 26th June 1854 from Colonel A. Tulloch C. B. Commissary General, to Sir Henry Montgomery Bart, Chief Secretary to Government, Fort Saint George.

Para 4. "In Mr Wainhouse the present
"incumbent, I believe I have selected one
"in every way qualified for the important
"trust. I am in no way personally inter-
"ested about him - I only know him from
"repute as an intelligent clever man of
"business, and good accountant, and I
"appointed him to his present situation
"purely on Public grounds"

5. "He is not only well suited
"for the particular Office in question; but
"from his knowledge of Accounts, & his
"aptitude for business generally is likely
"to prove of much advantage in the
"Commissary General's Office, where money
"transactions are so extensive & various
"and where competent Public Servants
"of Mr Wainhouse's qualifications are
"so valuable"-
