Hon. Lt. R. H. Seddome
1st Asst. Commr. of Forests.
To The Secretary of Government
Madras.

Sir. I proceeded to England on 15 months Sick leave retaining my staff appointment, under medical advice. I am indeed sorry it extended to 18 as it is important that I should get the winter months in this climate. At the India House I have been directed to apply to you & to the head of my department for the guarantee of my appointment, they state that they grant me the leave but that your government alone can give the guarantee, at the same time they inform me that it has in no case been refused since the 20 months Sick leave have been sanctioned in orders.

I may here state that I was compelled to leave India from a violent attack of Jungle fever contracted whilst in discharge of my duties.
