From

Offg Civil Paymaster

To

F. Aspavoo Esqr
Asst in charge of the Office of
Conservator of Forests

Sir,

With reference to Capt Gibb's letter to your address No 89 of the 31st July and 75 of 17th Sept last I have the honor to state that it does not appear that Capt Gibb was appointed to act for Capt Morgan and at the same time to conduct his own duties in the Wynaad and Mysore Forests. His appointment at first to take Effect from 1st February 1861 and subsequently antedated to 26th December 1860. was simply to act for Capt Morgan in the Segur and Mudumallay Forests during the employment of that Officer on other duty. He could therefore, under the rules, be allowed only half of his own salary, and half of Capt Morgan's.

2. But if Capt Gibb performed both his own and Capt Morgan's duties until relieved of the former by Capt Hunter, he should report the matter to Government and have the fact notified in the Gazette to enable this Office to admit his claim to his own full salary and the difference between that and Capt Morgan's making in all Rs 400. a month, from 26th December 1860 to 1st February 1861 and from 16th to 22nd February 1861.

3. I have already paper all that Capt

Gibb

Gibb is entitled to from 23rd February to 31st August 1861
his allowances prior to this period cannot be adjusted
till the Notification specified above appears in the
Gazette.
