Proceedings of the Madras Government, Revenue Department,
21st May 1862.

Read the following papers :—

No. 381. From W. HUDLESTON, Esq., Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 21st June 1861, No. 3,215.

SIR,

1. I am directed, by the Board of Revenue, to submit for the consideration of Government the following question which has been raised in connection with the correspondence regarding allowance to be made for leakage of Rum in transit, which was communicated to the Board with the Government Proceedings No. 955, Revenue Department, dated 29th April 1861.

2. The export of Rum is free under Act X of 1860, and the Port to Port trade is also free under Act VI of 1848. Yet from the correspondence in question, it seems clear that in Bengal duty is charged on Rum "distilled in the country," and "exported from one Indian Port to another" "for consumption."

3. Regulation 32 of 1845, limits the disposal of country made spirits under a license, to export by sea, or to sale to the Commissariat or the Ábkári renter, but there was no hindrance under the practise hitherto in force to the free export of Rum, for instance from Cuddalore for sale to the Commissariat at Madras.

4. The Calcutta practise would seem to require payment of import duty.
