Proceedings of the Madras Government, Revenue Department, 21st May 1862.

No. 384. Read the following Proceedings of the Board of Revenue, dated 14th April 1862, No. 2,459 :—

Read the following Replies to the Board's Miscellaneous Circular, No. 5,471, dated 9th October 1861, requesting Collectors of Maritime Districts to submit a revised List of Ports for landing and shipping of merchandize in their respective Districts in order to the publication (if necessary) of a revised General List.

From G. S. FORBES, Esq., Collector of Ganjam, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Chetturpore, 20th November 1861, No. 313.

SIR,

With reference to the Board's Miscellaneous Circular, No. 5,471, dated the 19th ultimo, I have the honor to submit a revised List of Ports for the landing and shipping of merchandize in this District.

From E. G. R. FANE, Esq., Collector of Vizagapatam, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated 30th October 1861, No. 1,027.

SIR,

In reply to the Board's Miscellaneous Circular Proceedings, dated 9th instant, No. 5,471, I have the honor to forward a List of the Ports of this District, sanctioned by Government in 1844. The Ports are eight in number at four only of these I have proposed* to keep up establishments; and at the remainder to allow exports making the latter subordinate to the former, as shown in the list.

* See Collector's letter of the 18th August 1860, No. 850 to Mr. Pelly.

From A. PURVIS, Esq., Collector of the Godavery District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Cocanada, 20th November 1861, No. 169.

SIR,

I have the honor to acknowledge the receipt of the Board's Circular Order, No. 5,471, dated 9th ultimo, and to report that no alteration is, in my opinion, necessary in the existing Ports in this District. The two last noted are very seldom resorted to; no Establishment is kept up for them. If at any time produce is exported from either, one of the subordinate Custom House officials is deputed, as the case may be, from Nursapoor or Cocanada, to which the ports of Bendamurlunka and Oopada are respectively subordinate.

From G. THORNHILL, Esq., Acting Collector of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Masulipatam, 25th November 1861, No. 291.

SIR,

1. With reference to the Board's Proceedings of 9th October 1861, I have the honor to submit a List of the Ports of this District as they now stand and a revised List. I propose to omit two from the former, viz., Putcha Mogalrava and Sholagam; they have never been regularly used as ports of export, or import and are simply villages where driftwood has sometimes been collected. They are near to Purupallem. I propose to add Nagayalunka, a village on the main branch of the Kistna, 15 miles from False Point Deevi. It has hitherto been considered as belonging to the Port of Masulipatam, and all trade from thence has been brought to the account of Masulipatam. A Memorandum of the trade is annexed.

No. 5,471.

2. It is the only Port on the Kistna river, and as it is situated near to Avenigadda, the station of a Deputy Tahsíldár, it can be controlled by him if necessary.

From J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Indukurupett, 15th March 1862, No. 51.

SIR,

1. I have the honor to acknowledge the receipt of the Board's Miscellaneous Circular No. 5,471, dated the 9th October last, and forward a revised List of Ports for the landing and shipping of merchandize in this District.

2. The Ports, the Board will observe, are arranged in order proceeding from the south and are the only Ports now in use.

3. In addition to the Ports given in this List, 18 Ports were entered in the "Fort Saint George Gazette" of the 15th October 1844, page 837, and in the Schedule appended to Act XVIII of 1858, but these are not Ports, they are only places where drift-wood is collected. And under these circumstances I have omitted them from the revised List now sent, but give their names in a separate List.

From B. CUNLIFFE, Esq., Collector of Madras, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Ponneri, 28th February 1862, No. 54.

SIR,

1. Adverting to the Board's Proceedings of the 22nd ultimo, No. 535, I have the honor to state that, as there is no agency available for the petty Ports mentioned by Mr. Reade in his letter of the 21st December last, No. 463, which are given in the margin, with the exception of the Salt Establishment at Cheyur, at a distance from four to six miles, and this Salt Establishment being, moreover, about to be reduced to the lowest possible scale under Mr. Pelly's revision, I think it best not to enter these places in the List of Ports, giving notice in the Gazette that the exportations from them which have taken place were illegal, and that future shipments will make the parties liable to the penalties of Act VI of 1844.

5th. Kodcapaukum.....	6	do. to do.

2. The articles might be brought up to the Palar, and then by the Canal to Madras.

3. There are no Customs Establishments at Covelong and Pulicat, and shipping transactions have ceased for many years at these places, save Salt from Covelong, and I think that Pulicat might well be omitted from the List of Ports.

From C. W. READE, Esq., Collector of South Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Cuddalore, 25th March 1862, No. 59.

SIR,

With reference to your Miscellaneous Circular, dated 9th October last, No. 5,471, I have the honor to enclose copy of a List of Ports in the District submitted by the late Collector Mr. Davis, and to state that I see no cause to recommend any alteration.

From W. M. CADELL, Esq., Collector of Tanjore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated 25th November 1861, No. 398.

SIR,

With reference to the Proceedings of the Board of Revenue, dated 9th October last, No. 5,471, I have the honor to state that a revision of Ports in this District for the landing and shipping of merchandize as sanctioned by Acts VII and XVIII of 1858, would not appear at present to be necessary, nor am I prepared to recommend any alteration in the existing List.

From V. H. LEVINGE, Esq., Collector of Madura, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated 26th November 1861, No. 296.

SIR,

1. In compliance with the orders of the Board conveyed in their Miscellaneous Circular, No. 5,471, dated the 9th October 1861, I have the honor to submit a revised List of Ports, for the landing and shipping of merchandize in this District, and to report that I have omitted some* of the Ports formerly authorized and added a few new ones, on a consideration of the requirements of the trade of the District.

* Titandadanum. Tangacheemadum. Marepannai.

2. The Board are aware that the principal Ports for foreign and extensive trade are, Kilakarai, Devepatam, Tondi, Paumbem, and Rameswaram, and the rest are subordinate Ports chiefly used for trade from one minor Port to another, or to a principal Port in the District.

From W. FISHER, Esq., Collector of North Canara, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Siddapur, 11th November 1861, No. 156.

SIR,

In submitting herewith a revised List of Ports for the landing and shipping of merchandize in this District, called for in the Board's Circular, Miscellaneous, No. 5,471, dated the 9th October 1861, I have the honor to state that I have added "Beitkol" to the List of Ports already authorized under Act XVIII of 1858, as there is every prospect of this Port being shortly opened for trade, and it cannot be considered as appertaining to Sedasheghur, which is three or four miles to the north of it, and a bar harbour.

From D. WILLIAMS, Esq., Head Assistant Collector in charge of South Canara, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Mangalore, 15th November 1861, No. 201.

SIR,

With reference to the Board's Miscellaneous Circular of the 9th ultimo, I have the honor to forward a List of Ports for landing and shipping of merchandize in this District. The Ports are with one exception the same as those published in the "Fort Saint George Gazette"† of the 15th October 1844, where the Ports of the District of North Canara are also given. The Port of Mulpi, which appears in the present List instead of Udiaver, is three miles from the Town of Udipi, and has always been the Port of landing and shipping while Udiaver is only a salt station about the same distance from Udipi, and is not accessiable to native craft. By Udiaver, the Port of Mulpi was always meant, and the proper name has now been entered.

From P. GRANT, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Wandoor, 29th October 1861, No. 224 :—

SIR,

1. With reference to the Board's Circular* Proceedings, dated 9th instant, No. 5,471, I have the honor to forward a revised List of Ports for the landing and shipping of merchandize in this District.

* Miscellaneous.

2. My reasons for the alterations proposed, are given in the remarks appended to the List.

From the Honorable R. O. CAMPBELL, Chairman Chamber of Commerce, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated 7th January 1862.

SIR,

1. I have the honor to acknowledge the receipt of your letter of the 4th ultimo, stating that it is in contemplation to revise the List of Ports for the landing and shipping of merchandize in the several Maritime Districts of this Presidency, and requesting a List of Ports, which, in the opinion of the Chamber, should be added to the already authorized List.

2. In reply, I beg to state that the Chamber cannot at present suggest any particular additions to the authorized List above referred to.

3. In the letter and report which it addressed to the Board, dated 22nd October 1861, on the subject of the new Customs Act, the Chamber recommended that it should be made lawful to ship produce at any spot along the coast, subject only to the condition that timely notice be given to the Collector, or Chief Revenue authority of the District, when such shipments are to be made at places other than the recognized Ports. This course the Chamber considers preferable to any limitation by legal enactment in regard to the Ports or places of shipment.

---

1. From the above replies it appears that the Collectors of the Vizagapatam, Godavery, South Arcot, Tanjore, and Tinnevelly Districts, have no alterations to propose in the existing Lists of authorized Ports for the shipping and landing of merchandize in their respective Districts.

2. The Collector of North Canara proposes adding Beitkol to the list for his District, but as North Canara has been since directed to be transferred to the Bombay Presidency the Board have omitted its ports from the revised general list now prepared for submission to Government.

3. The Collectors of the remaining Districts of Ganjam, Kistna, Nellore, Madras, Madura, South Canara, and Malabar, have proposed certain omissions and additions† in the published Lists on a consideration of the requirements of the existing trade, and the Board have accordingly had a List prepared in their office, which they resolve to submit to Government with their recommendation that it be published in supersession of that appearing at page 837 of the "Fort Saint George Gazette" of 15th October 1844, in conformity with Section 24 of Act VI of 1844.

4. The Chamber of Commerce on a reference made to them on the subject, have stated that they are unable at present to suggest any particular additions to the authorized List.
