Proceedings of the Madras Government, Revenue Department, 23rd May 1862.

No. 425. Read the following Proceedings of the Board of Revenue, dated 10th May 1862, No. 3,015 :—

Read the following letter from P. GRANT, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Palghat, 22nd April 1862.

SIR,

1. A Frenchman proposes to hire the Beypoor public Bungalow and fit it up as an hotel. The Bungalow consists of two rooms and two bath rooms, and will require to be considerably enlarged ere it will be worth Monsieur Hoaran's while to attempt any thing in the shape of an hotel.

2. To enable the Board to judge of what he proposes to do, his original letter is enclosed for perusal; if the Board approve of his proposal it will be well to let him make the experiment for a few months without any charge for the Bungalow on condition that if he succeeds in giving satisfaction to the public, he shall be allowed to retain the Bungalow on payment of Rupees 15 per mensem, as rent during the pleasure of Government, who will give him three months' notice in the event of their requiring him to quit it.

3. The Bungalow, as its name indicates, is close to the Beypoor Railway Terminus on this coast, and certainly the institution of an hotel in place of the present uninviting Bungalow will be a great improvement on the existing state of things.

Ordered to be submitted for the favorable consideration of Government.

(True Copy and Extract.)

(Signed) W. HUDLESTON, *Secretary.*

No. 426. ORDER THEREON, 23rd May 1862, No. 1,140.

The proposal to let the Beypoor public Bungalow without charge to Monsieur Hoaran to be converted into a hotel, is sanctioned as proposed experimentally for four months, subject to report after the expiration of that period. If Monsieur Hoaran gives satisfaction to the public the Government will be prepared to rent the building to him. He must of course engage to leave the premises in as good order as they now are.

To the Board of Revenue.

Gentlemen,

I am directed to transmit herewith for the consideration of your Board a letter from the Collector of Malabar, forwarding a petition addressed to him by Monsieur Hoarau, soliciting the use of the Bypoor Public Bungalow on hire as an Hotel.

2. His Excellency in Council is disposed to think that the proposal might be beneficial to the public, and that the Bungalow might be let for the purpose, but he desires that you will report your opinion on the subject, and state whether you think it would be advisable to grant the request of the petitioner.

3. I am also directed to transmit herewith a letter from the Collector of Malabar, forwarding a petition addressed to him by Mr. Spencer, soliciting the grant of a piece of ground at Calicut for the purpose of erecting a Hotel thereon, and to request that you will report your opinion on the subject.

I have &c.

Note. An Hotel would be a much greater convenience to the Public than the Bungalow as it is - and the grants proposed might perhaps be approved. The Renter should however be bound to learn the provisions in and form order as they now are. No stipulation as to maximum prices being necessary. For Orders
