Proceedings of the Madras Government, Revenue Department, 24th May 1862.

No. 444. Read the following Proceedings of the Board of Revenue, dated 5th May 1862, No. 2,829:—

Read again letter from the Collector of Madura, dated 27th March 1862, No. 53, reporting on the experiment authorized by the Board of employing a Maty at the Travellers' Bungalow in the Town of Madura, and charging the higher rate of fee.

(In Cons. 31st March 1862, No. 1,819.)

Read also the following letter from the same Officer, dated 17th April 1862, No. 210:—

With reference to the Proceedings of the Board of Revenue, dated the 12th instant, No. 2,441, I have the honor to state that provision has been made for Rupees 510 in my Budget Estimate for the year 1862-63, viz., Rupees 410 for the Establishment, and Rupees 100 for contingencies.

---

1. Resolved, that the above communications be submitted for the consideration and orders of Government, with reference to paragraphs 5, 6 and 7 of the Board's Proceedings, No. 1,818, dated 19th March 1,862, and paragraph 2 of the Government Order thereon.

2. With the first letter recorded above the Collector of Madura forwards a Statement of receipts and disbursements on account of the Travellers' Bungalow in the Town of Madura at which, as Government are aware, the entertainment of a Maty at 6 Rupees per mensem was authorized as an experiment, and it appears that the total amount of fees received for the first six months was Rupees 66, while the charge on account of the Maty's wages was Rupees 36, so that the Collector is confident that the average receipts from the Bungalow will be sufficient at all times to meet the charge.

3. A pensioned Sepoy receiving a batta of Rupees 2-12-9 is at present attached to the Bungalow, whose services the Collector is of opinion should be dispensed with, and a Toty on Rupees 3 per mensem be entertained, as such a servant is very much required at the Bungalow.

4. As the duty of the Sepoy, which consists in taking care of the crockery and furniture, can well be performed by a Maty, the Board recommend that the permanent employment of a servant of the latter class be sanctioned, and the Collector be further authorized to employ a Toty on Rupees 3 per mensem in lieu of the Sepoy.

5. The Collector it will be seen has reported that sufficient provision has been made in his Budget Estimate of 1862-63 for the above arrangements.

No. 445. ORDER THEREON, 24th May 1862, No. 1,149.

The Board of Revenue will forward, for submission to the Government of India, a Tabular Statement in the prescribed form for the Establishment referred to in these Proceedings. They will also furnish the information required by that Government, in their Circular of 15th March 1862, communicated with the order from this Department, 14th instant, No. 1,062.

Acting Deputy Secretary to Government.

No. 2,441.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 12th April 1862.

Read the following letter from V. H. LEVINGE, Esq., Collector of Madura, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated 27th March 1862, No. 53:—

1. With reference to the 2nd paragraph of the Proceedings of the Board, dated 23rd August 1861, No. 4,617, I beg to enclose a Memorandum showing the fees realized at the Travellers' Bungalow at Madura, and the disbursements made from it during the six months which intervened between the 15th September last, when a servant on 6 Rupees per mensem was employed, and the 15th instant. It will be observed that there is a net saving of 30 Rupees after defraying the necessary expenses; and I am confident that the average receipts from the Bungalow will regularly meet the expense of the Maty's wages.

2. A Pensioned Sepoy receiving a batta of Rupees 2-12-9 is attached to the Bungalow; his duty merely consists in taking care of the crockery and furniture previous to the appointment of the Maty. If the Government will sanction the permanent employment of a Maty, the Sepoy's services can be dispensed with.

3. In the Melur, Kotamputty, and Chettamputty Bungalows, there are Toties paid by Inams, who watch and clean the Bungalows, &c. As there is no such servants attached to the Madura Bungalow, I beg to recommend that sanction be obtained for the appointment of a Toty on Rupees 3 a month from the saving of the pay of the Sepoy and Bungalow collections; such a servant is much required in the Madura Casba Bungalow, as it is constantly occupied.

ENCLOSURE No. 1.

ABSTRACT.—Statement showing the receipts and disbursements of the fees at the Travellers' Bungalow at Madura.

The Collector is requested to state whether any provision has been made in his Budget Estimate of 1862-63 for the permanent charges above proposed; and if not, whether they can be met from the funds provided under any other head.
