Proceedings of the Madras Government, Revenue Department, 26th May 1862.

No. 488. Read the following Proceedings of the Board of Revenue, dated 30th April 1862, No. 2,722 :—

Read the following letter from G. A. BALLARD, Esq., Acting Collector of Tanjore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Vellum, 17th April 1862, No. 134.

SIR,

1. I have the honor to report on Petition No. 325 of 1862, addressed to the Board by one Ganapati Subbayan, appling for leave to sue for certain Shrotrium land in the village of Puttaghannu in the Mannargudi Táluq.

	V.	M.	G.
Extent.....	1	0	81 3/32
	Rs.	A.	P.
Assessment.....	19	2	3
Shrotrium Jodi now paid...	10	6	10
Difference....	8	11	5

2. This land is included in a grant termed Arz Rokka under which 884½ velis comprized in 96 villages, were alienated by Rájáh Tulzaji in 1778 on Shrotrium tenure in favor of a number of Mahratta Bramins. The grant is forthcoming, but it is not registered.

3. Petitioner's claim to the land in question is not derived by descent from any of the original grantees specified in the grant. According to his statement, it forms part of the portion assigned to the original Mirásidárs as Gramabhogam, or compensation for the Mirási right relinquished by them on the remaining lands in the village, and as such came into his possession by inheritance. There are, however, no means for testing the truth of this statement.

4. Petitioner asserts that the land now in question was, about 45 years ago, mortgaged by him to one Aiyavaiyan deceased whose son, one Samiyan, and brother's widow Bapu Ammal are now in enjoyment thereof, and that the latter individuals having declined to restore the land to the Petitioner on receiving the mortgage amount, he (Petitioner) seeks to recover the same by legal means.

5. The Defendants say that the land was purchased from the Petitioner outright, and that therefore he has no more any right to it.

6. The right of the Defendants, whatever it may be, being according to their own showing derived from Petitioner himself, I see no objection to the permission sought by him being granted.

Ordered that the Petition reported on in the above letter be submitted to Government, with the Board's recommendation that Petitioner be granted permission to sue in the ordinary Courts for any rights that he may possess in the land in dispute.
