SIR,

1. With reference to the Proceedings of Government, under date 15th April 1862, I am directed by the Board of Revenue to submit the enclosed draft Circular, which they propose to issue to all the Officers subordinate to them, a copy being supplied to the Director of Revenue Settlement, the Superintendent of Revenue Survey, the Inám Commissioner, the Conservator of Forests, the Inspector General of Police, and the Chief Engineer. They are of opinion that the orders proposed will meet all the requirements of the case in regard to lands held by Uncovenanted Servants.

2. On receipt of the information called for in paragraph 5 of the Circular, a Register of the lands held by Uncovenanted Officers of the grade of Deputy Collector will be prepared in this Office at the commencement of each succeeding year, and the necessary additions and alterations will be carefully noted and made in the Register.

No. 539. ORDER THEREON, 29th May 1862, No. 1,196.

1. The Governor in Council approves of the draft Circular, but wishes a summary of the existing rules on the subject of the acquisition of land to be prefixed to it.

2. The word "solemn" in paragraph 2 of the draft Circular may be omitted. A simple declaration will be sufficient.

3. The Collector's Register should be restricted to persons in the Revenue and Magisterial Departments. The Register for persons in the Police and other independent Departments should be kept by the local Head of the Department.

(Signed) J. D. SIM,
Secretary to Government.

Draft Circular

Sir,

28th August 1849 No 1999.
13th August 1859. No 3102.
23rd January 1860. No 372.

With reference to the Board's Circular Orders noted in the margin, I am directed by the Board of Revenue under instructions from Government to direct the adoption of the annexed Form of Register of all Lands possessed by or belonging to any of the Servants on the Revenue, Police, or D.P.W. Establishments entertained in your District.

You will call on every Servant on these establishments through the Head of the Department to fill up a return in the annexed form, and to deliver it to you with a Solemn affirmation at foot, duly signed by him, to the effect that it truly represents

all

all the landed property pos-
-sessed by him or in which
he is in any way interested
in the district in which he
is serving or elsewhere.

From these forms, which
will be carefully preserved,
the District Register will
be prepared, and on the 15th
of January in each year,
you will call upon your
subordinates to supply you
with information in the
same form of any altera-
-tions or additions or acqui-
-sition which may have
taken place in landed pro-
-perty belonging to or obtain-
-ed by them during the past
year, and you will not only
let them distinctly under-
-stand, that failure to make
a true return, will render
them liable to dismissal
from the service, but will
invariably dismiss any

servant

servant whom you are com-
-petent to dismiss offending
against these standing
rules laid down in this
and in the former orders
quoted above, unless for
sufficient reasons you see
cause for recommending
to the Board a modifica-
-tion of the penalty of trans-
-gressing the orders. In case
of Tahsildars or other offici-
-als not dismissible by Col-
-lectors you will report for
the Board's orders any in-
-fraction of the Rules.

You will, as heretofore,
notice the number of servants
who make such acquisitions
and the extent of land ac-
-quired by them during the
year with any other neces-
-sary particulars in your
annual report, and you will
be careful in making ap-
-pointments or nominations

that

that persons are not employed in the talukas in which their lands are situated, as far as this can be done without inconvenience to the public Service.

All the uncovenanted Servants in your district should be called upon to make these returns to you with the prescribed declaration on or before the 1st of July next, and so far as Officers of the grade of Deputy Collectors are concerned, you will be good enough to forward a copy of the registry for record in the Board's Office, and will transmit for their information any alterations which may, from time to time take place in the property of such Officers which will be duly made known to you by them, by the submission on the 15th of January in each year of the return which in such case becomes necessary.

In future also you will be careful, previous to appointment, to require a similar Statement and declaration from all candidates for Office.
