*Proceedings of the Madras Government, Revenue Department,
3rd June 1862.*

No. 27. Read the following letter from H. A. MANGLES, Esq., Acting Accountant General, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated 24th May 1862, No. 32:—

SIR,

1. With reference to the accompanying copy of the Proceedings of the Board of Revenue, No. 5,588, dated 14th October last, directing the Collector of Madura to credit to "Local Funds" a sum of Rupees 281-8-0, received by him from the Officer Commanding Southern Division on account of the sale proceeds of certain broken pieces of cannon destroyed at Dindigul, I have the honor to observe that the receipt in question does not seem to me to partake of the character of a "Local Fund" receipt and should not therefore be credited as such in the Treasury account.

2. I am inclined to consider the collection to be of the nature of a territorial receipt, and as the stores in question must have been originally paid for by the State, the amount should be properly credited as a miscellaneous receipt of the State.

3. I take this opportunity of requesting Government to intimate to the Board the great inconvenience accruing to this Office by their issuing instructions to Collectors on matters connected with the classification of receipt and expenditure, without reference to this Office, and that much of the correspondence between this Office and the Collectors might be avoided if the Central Office of Account were made the medium of communication between them and the District Treasury Officers on all matters affecting their Treasury returns.

No. 28.

ORDER THEREON, 3rd June 1862, No. 1,220.

Referred to the Board of Revenue for their opinion.
