Proceedings of the Madras Government, Revenue Department, 4th June 1862.

No. 43. Read the following Proceedings of the Board of Revenue, dated 16th May 1862, No. 3,171:—

Read the following letter from C. J. SHUBRICK, Esq., Collector of Sea Customs, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Madras, 7th May 1862, No. 266.

SIR,

1. Referring to the Board's Proceedings No. 1,931 of the 31st May 1859, I have the honor to bring to their notice that the concession there given of allowing drawback on goods exported by land to Pondicherry has been heretofore limited in this Office, as extending only to goods brought by the P. and O. Steamers, but not by sailing vessels, the former only having been solicited by the Governor of the French Settlements in India. It is clear, however, that the concession was not intended to bear any such restricted limit, but extends to goods brought by either class of vessels, and I have accordingly the honor to request that the Board will be good enough to give it their express sanction.

2. I would not have troubled the Board with this reference, but would have acted on my own responsibility if the practice now in force had been of shorter duration.

Ordered to be submitted to Government, with reference to the correspondence noted in the margin,* and with the Board's recommendation that the Collector's proposal be sanctioned under the same limitations and safeguards as were prescribed in the original order.

* From Board to Government, dated 4th May 1859, No. 1,585.
Government Proceedings, dated 27th idem, No. 713, Revenue Department.

No. 44. ORDER THEREON, 4th June 1862, No. 1,228.

1. Up to 27th May 1862 drawback of duty was only allowed on European goods re-exported by sea. By a Government Order of that date the privilege was extended to such goods as might be brought out by the Mail Steamers and re-exported to the French Settlements by land. It is now requested that the same drawback may be granted on goods brought out by sailing vessels.

2. His Excellency the Governor in Council observes that the extended privilege was only limited to goods imported by the Steamers, because the request of the French Government contained the same limitation. The principle upon which that concession was granted applies equally to goods brought out by sailing vessels. Drawback will therefore be allowed in future on all re-exports to Pondicherry, on the terms and under the precautions laid down in Extract Minutes of Consultation, 27th May 1859, No. 61, but without regard to the mode of their original importation.

3. His Excellency in Council accepts Mr. Shubrick's application to the Board as evidence that the previous concession has not been abused.

4. The above resolution will be communicated to His Excellency the Governor of the French Settlements in India by the Special Agent at Cuddalore.

For Orders.

The French Govt limited their request to goods received by the Mail Steamers - but the principle on which the concession was granted ap-plies equally to goods by Sailing vessels - I therefore think the concession may be extended to all goods - But should this appli-cation not be taken as proof that the system is to abuse -
