Proceedings of the Madras Government, Revenue Department, 4th June 1862.

No. 45. Read again Proceedings Board of Revenue, dated 15th April 1862, No. 2,478, and recorded in Proceedings of Government, 15th May 1862, No. 1,065:—

Read also the following letter from H. A. MANGLES, Esq., Acting Accountant General, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated 22nd May 1862, No. 28.

SIR,

With reference to the Proceedings of Government, No. 1,065, dated 15th instant, I have the honor to report, that there is a saving of about Rupees 8,716 in the provision made in the original and Supplemental Budget Estimates for 1861-62, on account of Travellers' Bungalows in the Provinces. From this amount, however, payments on account of arrears of 1860-61, amounting to Rupees 2,939, must be deducted, so that there will probably be a net savings of Rupees 5,777 available to meet the charges, viz., Rupees 1,072-4-10, specified in the Proceedings of Government under reference.

Charges connected with Travellers' Bungalows.		Rs.
As per original and Supplemental Budget Estimates for 1861-62.....		35,336

No. 46. ORDER THEREON, 4th June 1862, No. 1,229.

1. Sanction is granted for Rupees (1,072-4-10) one thousand and seventy-two, Annas four and Pice ten, being the amount of charges incurred in the three Districts noted in the margin on account of Travellers' Bungalows. The disbursement of the pay of the additional servants in South Arcot from January to April 1862, at Rupees 10-8-0 per mensem (or Rupees 42 in all), is also authorized agreeably to the recommendation of the Board of Revenue. The charges now sanctioned will be debited to the savings in the Budgets for 1861-62 pointed out in the Acting Accountant General's letter above recorded.

Total..	126	13	3
Nellore—Almirahs...	879	7	7
Salem—Chairs	66	0	0

2. The Government do not agree with the Board in their remarks in paragraphs 4 and 5 of their Proceedings, dated 15th April 1862, No. 2,478, to the effect that the receipts from the Travellers' Bungalows should be kept as a separate fund to meet the charges connected with those buildings. Such a practice is contrary to the principles of the Budget system, and the Government have always condemned the creation of separate funds without real necessity. In this case the General Revenue has to supply funds to a considerable amount for the maintenance of public Bungalows and should therefore be credited with all receipts. Provision should be made in the Budgets for all charges connected with the Bungalows. The expenditure in 1862-63 for which no provision was made in the Budget for that year should be restricted as much as possible, and the absolutely necessary disbursements must be met from savings under other heads.

(Signed) A. J. ARBUTHNOT,
Acting Chief Secretary to Government.
