	Madura in the Madura Tiling. 1 Cally Innam equal to Annas 3, Pice 4 a day. By Mahomed Ali Khan afterwards Wallajah under the title of Auwardin Khan to Shek Ismal, Pesh Inam under a Purvama, dated 11th Jamudassant Hyri 1174, or 18th January 1761. Service performing the duty of Pesh Inam or reading prayers at Shah Bodudin's Mosque at Madura. Ghulam Ghouse died on the 15th August 1858. Son according to the former reports. <i>Vide</i> printed list of Yaumias as they stood on the 1st July 1855, or daughter's son as elicited in the recent examination.				Entire.	None.		The Yaumia was granted to the original grantee for the performance of certain service in a Mosque at Madura. <i>Vide</i> Minutes of Consultation, dated 31st August 1847, No. 970, paragraph 4, conveyed in Board's Proceedings, 4th October 1847. On the grantee's death, it was continued by the late Principal Collector Mr. Peter to one Ghulam Ghouse, as being the son of the original grantee. This grant was confirmed by Government in the above Minutes of Consultation. Ghulam Ghouse died in 1858, whereupon one Peer Mahomed Alli presented a Petition claiming the allowance, but having ab-sented himself afterwards, as he says, on private affairs to Trichinopoly and other places, the matter was dropped. He now renews his claim on the ground that the Yaumia was originally granted for a certain service which is regularly performed by him, and during his absence by his proxy. He asserts the original grantee had no sons, but two daughters; the deceased Ghulam Ghouse was the son of one daughter; he died childless; and the applicant is the son of the 2nd daughter, and that consequently he is entitled to the allowance. A strict inquiry was ordered regarding the above relationship, it was confirmed by several of the Yaumiadars, who were warned of the consequences of telling a falsehood; but they cannot satisfactorily explain the contradictory statements made now and that given formerly regarding Ghulam Ghouse's relationship to the original grantee. This leads to a doubt that the applicant may have recourse to the above statement to give a color to his claim, or that the original grantee stated that Ghulam Ghouse was his son instead of mentioning him to be his grandson with similar object. However as the Yaumia was granted for service, which is performed by applicant, and as it had been settled by the Board and Government that this grant was for service, I beg to recommend its continuation to Petitioner from the date of the decease of the last holder. The original Purvana and a translation of it are herewith forwarded.	

Recommendation of the Collector, and the grounds on which it is made.

*Proceedings of the Madras Government, Revenue Department,
5th June 1862.*
