Proceedings of the Madras Government, Revenue Department, 6th June 1862.

No. 71. Read the following Proceedings of the Board of Revenue, dated 29th April 1862, No. 2,708:—

Read again Order of Government, dated 17th April 1862, No. 862.

(In Cons. 19th April 1862, No. 2,314.)

1. The Collector of South Canara has already been desired to submit the necessary Budget Estimate for 1862-63 for the Cundapoor Táluq recently attached to his District, in consequence of the remaining portion of North Canara having been transferred to the Bombay Presidency. As far as the Board can judge, and can gather from the records of their Office, it appears that in the Revenue Department it will be necessary to add the items noted in the margin to the South Canara Budget, in consequence of the addition of Cundapoor Táluq, a corresponding deduction being made from the North Canara Budget.

	Rs.	Rs.
Land Revenue.		
Táluq establishment at Rupees 579 per month.....		6,948
Village establishment..		5,390
Sadirwarid charges..		662
Contingent charges..		50
Batta to prisoners..		100
		13,150
Salt.		
Establishment	4,590	
Sadirwarid...	108	
Contingent charges and provision for the purchase of Salt	2,000	
		6,698
Sea Custom.		
Establishment..	1,260	
Sadirwarid..	77	
Contingent charges..	25	
		1,362
		21,210

2. The Board, however, observe that the sum of Rupees 5,390 for the Village Establishment cannot be deducted from the North Canara Budget, as no provision was originally made on that account by the Collector of the District in his Budget for 1862-63. They think that for the sum in question it will be necessary to submit a Supplemental Budget.

3. The Board have no means of ascertaining what is the charge for the new Police, or for the guards that are supplied to the Táluq Treasury, the charge for the latter of which is debitable to the Revenue Department. They request that the Accountant General will, in communication with the Inspector General of Mofussil Police, ascertain the charges, and will supply them with a complete Budget for submission to Government.

4. The Collector of South Canara will include in his own accounts all the transactions connected with the Cundapoor Táluq from 16th April 1862. The Collector of North Canara should close his accounts up to 15th April, and furnish them to the Board and Accountant General. Any cash balance that may remain on that date should be made over to the Collector of South Canara. It is requested that the necessary instructions may be issued by the Accountant General on this point.
