Proceedings of the Madras Government, Revenue Department, 6th June 1862.

No. 73. Read the following letter from W. G. McIVOR, Esq., Superintendent Cinchona Plantations, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 11th April 1862 :—

SIR,

1. I have the honor to forward herewith the Estimates of cash requirements for the Botanical Gardens and Cinchona Plantations as forwarded to the Civil Auditor, also an Estimate in duplicate in which the charges for the Cinchona plantations and Botanical Gardens are separated.

2. At the time I forwarded my Estimates to the Civil Auditor (30th November 1861), I was not certain that we would have more Cinchona plants than required to plant 150 acres, and consequently I only estimated for this quantity being brought into cultivation in 1862-63. I now find that we will have sufficient plants to plant considerably over this number of acres, probably sufficient to plant 300 acres or double the quantity estimated. Should the Government consider it advisable to extend our operations to 300 acres instead of 150, provision will have to be made in an additional Estimate for 25,000 Rupees.

3. The total amount estimated for the Botanical Gardens for 1862-63 is Rupees 4,260, for the Cinchona plantations 52,289, making a total of Rupees 56,549, this includes 25,055 Rupees being the Estimate for the 150 acres of land to be brought into cultivation in 1862-63, of this Estimate a separate Memorandum is enclosed.

No. 74. ORDER THEREON, 6th June 1862, No. 1,243.

Ordered to be recorded.

Acting Deputy Secretary to Government.
