No. 154. ORDER THEREON, 11th June 1862, No. 1,284.

1. The Board are under a misapprehension as to the meaning of G. O. No. 709 of 31st March 1862. The 2nd paragraph of that Order, though inadvertently alluding to the Board's own Proceedings, evidently intends to refer to the last clause of Mr. Collett's letter there recorded. The Statement dispensed with is not that called for by His Excellency's Minute and paragraph 6 of the Government Proceedings,* but the monthly return of expenditure alluded to in paragraph 7.

2. The Statement should be prepared in the Board's Office and furnished to the Collector of Sea Customs without delay. The Government have already† informed them what it should contain.

(Signed) P. P. HUTCHINS,
Acting Deputy Secretary to Government.

* Dated 2nd December 1861, No. 2,248.

No 1284-

The Board are under a misapprehension as to the meaning of G.O. No 709 of 31st March 1862. The 2nd Para of that order, tho' indirectly alluding to the Board's own Proceedings evidently intends to refer to the last clause of Mr Collett's letter there recorded. The Statement dispensed with is not that called for by His Excellency's minute à Para 6 of the Govt Proc^ds, but the monthly returns referred to in Para 7.

The Board could scarcely have failed to discover their error if they had consulted the original proceedings in the Secretariat & Dep^t, or even the Para preceding that which has given rise to their misconception.

The statement should be prepared in the Board's Office & furnished to the Collector of Sea Customs without delay. The Govt have already informed them what it should contain.
