Proceedings of the Madras Government, Revenue Department, 14th June 1862.

No. 210. Read the following Extract from the Proceedings of the Government of India, in the Financial Department, dated 3rd May 1862, No. 3,306:—

Office Memorandum from Lieutenant-Colonel R. STRACHEY, Secretary to the Government of India, Public Works Department, to the Secretary to the Government of India, in the Financial Department, No. 1,411, dated 14th April 1861.

SIR,

In forwarding to the Financial Department, for orders, the enclosed application from the Government of Madras, for a revision and extension of the existing Establishment for Forest Conservancy, the undersigned has the honor to state that he sees nothing to object to in the proposal, but, in fact, has no means of forming an opinion as to the Forest Administration of Madras, its affairs being transacted in the Revenue Department.

From J. D. SIM, Esq., Secretary to the Government of Fort Saint George, to the Secretary to the Government of India, No. 646, dated 24th March 1862.

SIR,

1. On an application from this Government, representing the advantages to be derived from the Forests of this Presidency being placed under one systematic Conservancy, the Government of India were pleased, in their Financial Resolution of the 7th November 1856, No. 4,950, to sanction an Establishment for the purpose at a maximum cost of 4,530 Rupees, being 3,326 Rupees above that of the different miscellaneous and petty Establishments employed under the Collectors in the Districts of Canara, Malabar, and Coimbatore, where alone any Conservancy then existed.

To Government of India, 2nd September 1856, No. 922.
Home Endorsement, 17th November 1856, No. 1,185.

2. The Conservancy Establishment thus sanctioned was not, however, entertained at once; on the contrary, a large part of the sanction was long unemployed; but as the operations of the new Department expanded, it became necessary from time to time to enlarge the Establishments occupied in conserving the different forests, or to extend similar skilled superintendence to others as their importance came to view. The limits of the sanction have now been reached, and it has become necessary to apply for an enlarged agency.

3. But it must be borne in mind that the cost of the Establishments is not mere expenditure without return; the Forest operations are abundantly profitable, and have yielded a net profit of 7,78,000 Rupees in five years, or more than a lac and a half on the average every year. There is besides a stock of timber on hand worth nearly four lacs of Rupees. While the Conservancy has thus proved a source of considerable profit to the Government, it must not be forgotten that the chief object of its constitution was to arrest the wholesale waste of timber, which had been going on for many years in the absence of any systematic conservation, and which, if not vigorously checked, threatened to make timber for building purposes, and even for fuel, extremely scarce and dear.

4. The existing Establishment may be stated at 5,411 Rupees. The application, in the prescribed form, which I am now directed to submit, is framed for an Establishment of 7,064½ Rupees, or an increase over the existing one of 1,653½ Rupees per mensem. Of the increase, Rupees 390 is owing to provision for fixed travelling allowances for such of the Assistants and

Overseers as have ranges which involve much travelling. The salaries of the Assistants and Overseers are very small, their duties are onerous and extremely trying to their health. It is just and really necessary that those who have much travelling should have an allowance to cover the expenses of moving about, and the Government are clearly of opinion that less than the sums marginally noted will not suffice. They are also of opinion that a moderate fixed allowance is, under the circumstances, better than one payable only when on the march, because these officers from the nature of their duties are seldom stationary, and must constantly keep up their travelling equipments. It also includes a small increase of 10 Rupees for the Salem Jungle's Establishment, because in the recent application sanctioned by the Government of India, the Conservator erroneously entered the Overseer's pay at 80 instead of 90 Rupees.

5. The Establishments in which increases are now proposed, and the amounts of such increase, are shown in the subjoined statement:—

	Cost per mensem.
Anamallay Establishment	Rupees 661
Wellington do.	,, 95
Neilgherry do.	,, 319
Nellumboor do.	,, 500

6. I am directed to submit the strong recommendation of this Government that the enlarged Agency now applied for may be sanctioned. The cost of it will be more than recovered even in direct returns, independently of the great advantage to the State and the public, in the preservation from waste and perpetuation for future use, of the forests of valuable timber which this Presidency possesses. Provision has been made in the Supplemental Budget for 1861-62 and the Budget for 1862-63 for the increased expenditure involved. I am also to request that

retrospective sanction may be granted for an Accountant in the Office of the Conservator of Forests on a salary of Rupees 50 per mensem, and for a portion of the Cuddapah Establishment at a monthly cost of Rupees 110 per mensem, the former from 1st November 1861, and the latter from the 15th April 1861. The accounts of the Department have so greatly increased that it was found utterly impracticable efficiently to transact the business of the Conservator's Office without the assistance of an Accountant. It fact, however, only a moiety of the salary of the Accountant is an additional charge on the State, as the other half is covered by the pay of a second Draughtsman whose services were dispensed with. The Cuddapah Establishment was also very urgently required to meet the very great demand for timber by the Railway authorities and preserve the Forests from spoliation.

	Rs.
1 Overseer	60
10 Peons	50
Total...	110

7. The submission of this application, I am to explain, was delayed in order, that the whole Forest Establishment might be carefully revised. This has now been done, and the Government can with confidence recommend the changes here proposed.

REVENUE DEPARTMENT.—Statement of increase to Establishment in this Department recommended for the sanction of the Government of India.
