No. 254. *PROCEEDINGS OF THE MADRAS GOVERNMENT.*

Dated 18th June 1862, No. 1,334.

Read again letter from C. PELLY, Esq., Member of the Board of Revenue, dated 27th November and recorded in Proceedings, dated 13th December 1861, No. 2,312:—

1. In this letter Mr. Pelly reports on the revision of the Tinnevelly village establishments. The emoluments of the village servants in this District are derived from four sources:—

	Rs.
1. Inám lands...	33,651
2. Fees...	18,391
3. Deductions from assessment	4,066
4. Money payments from the Government Treasury...	28,539
Total Rupees...	84,647

2. The number of villages has been reduced from 1,100 to 776, and the expense of providing them with proper establishments is as follows, according to the scale proposed by Mr. Pelly in April 1861, and concurred in by the Collector:—

	Rs.
776 Monigars...	24,984
776 Curnums	63,660
776 Vetties	41,856
572 Neergunties...	13,728
Total Rupees...	1,47,228

3. The Neergunties or Neerpachies are to receive only 2 Rupees monthly as they are employed only in looking after the tanks, a separate establishment under the District Engineer having charge of the channels.

4. In Tinnevelly the Ináms have always been strictly attached to the offices for which they were granted, and hence their full assessment is available as an asset towards the expense of the new establishments. The Revenue fees are very small, but the people contribute largely towards the support of the Police. Mr. Pelly states that the Police emoluments are—

	Rs.
Land...	8,388
Fees	1,12,049
Cash payments	6,451
Total Rupees...	1,26,888

5. The Cavalgars perform Revenue as well as Police duties, and are engaged also in watching the crops of the ryots. Mr. Pelly considers that ⅓rd of their emoluments or Rupees 42,296 may be taken to represent the value of their Revenue services. On this question, however, Mr. Robinson must be consulted, and until he ascertains and reports what the Police requirements of the District are the revision of the village establishments cannot proceed. This he will be requested to do as soon as possible.

6. The Government observe that a cess of 6¼ per cent. will produce Rupees 1,53,302, while the people already contribute Rupees 1,30,440 in the shape of fees. The assets then would be as follows and would probably suffice:—

	Rs.
Land	42,049
Deduction from Assessment	4,066
Cash payments	34,990
Fee cess...	1,53,302
Total Rupees...	2,34,407
