Proceedings of the Madras Government, Revenue Department, 29th January 1862.

No. 263. Read the following Proceedings of the Board of Revenue, dated 24th December 1861, No. 7,229 :—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Trichendoor, 17th December 1861, No. 567.

SIR,

1. I have now laid before the Board from time to time, the arrangement I propose making for the conduct of the next Pearl Fishery, and it only remains for me to state that I consider it should be conducted on the same principles as the last, the boatmen and the divers being allowed one-third of the Oysters taken up.

2. I have consulted Captain Phipps on this point, and he fully agrees with me.

3. I further beg to request that the Jadi Talaven be allowed his two maniem boats as usual. On this subject, Captain Phipps writes to me, under date the 13th instant, as follows :—

"I beg to bear testimony to the Jadi Talaven's continued exertions in promoting the "Fishery, and recommend that he be allowed his two maniem boats as usual."

4. I also request the Government will be pleased to order a full Company of the 17th Regiment stationed at Palamcottah, to be detached to the Pearl Fishery, for such time as it may last, to guard the Treasury, and preserve order. The new Police have not yet been introduced into the Táluq.

5. I do not purpose applying for an European Medical Officer, I think the Dresser will be able to do all that is required.

Ordered to be submitted for the favorable consideration of Government.
