*Proceedings of the Madras Government, Revenue Department,
20th June 1862.*

No. 307. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Cuddapah, 6th June 1862, No. 34:—

SIR,

From the Deputy Collector of North Canara, to the Assistant Conservator of Forests, No. 37, dated 13th May 1862.
From the Assistant Conservator to the Deputy Collector, No. 200, dated 13th May 1862.
From the Assistant Conservator to the Acting Conservator of Forests, No. 201, dated 18th May 1862,

1. I have the honor to forward copy of three letters, as per margin, Government will thereby perceive that a balance of the estimate, for working the North Canara Forests for 1861-62, amounting to Rupees 15,081-10-7 was,

by some mistake of the Revenue authorities, not paid to the Assistant Conservator until the 5th of May 1862-63. The amount was however accounted for by the Assistant Conservator in the official year 1861-62. I request that Government will sanction the Deputy Collector of North Canara carrying the same to account in the past official year 1861-62; otherwise great confusion will arise, particularly as the North Canara Forests have been transferred to the Bombay Government, from the commencement of this official year.

No. 308. ORDER THEREON, 20th June 1862, No. 1,361.

Ordered that the Officiating Conservator of Forests be directed to refer the Assistant in North Canara to the Government of Bombay. Captain Beddome is mistaken in supposing that the North Canara Forests were transferred to the Bombay Presidency from the commencement of the current Fasli. The transfer was made on the 10th April 1862.

(Signed) J. D. SIM,
Secretary to Government.

Honore 13th May 1862

Sir,

I am acknowledging the receipt of your letter, N^o 183 of 10th Instant, I have the honor to inform you, that as the necessary order to the Soopa Tahsildar for the payment of the sum of Rs 15081.10.4 was issued by me on the 22nd Ultimo, the money ought to have been drawn before the close of April.

2

From a report this day received from the Tahsildar, it appears that he disbursed the above sum from his Treasury on the 5th Instant, but as my order of the 22nd Ultimo ceased to have effect on the 30th Idem, I am surprised that the Tahsildar should have

made

made the payment in May without a reference to me, I have therefore called upon him for an explanation, and have directed him at the same time to recover the sum forthwith, as the balance of the Forest sanction for 1861-62 is, in my opinion, not available for disbursement in the current year 1862-63

3. I beg you will be good enough to issue the necessary orders to your subordinates for the immediate refund of the money.

The Deputy Collector

North Canara

Sir,

In reply to your letter No 34 I have the honor to inform you that unfortunately I can no longer give the order to return the sum of Rs 15081.10.4, being spent and accounted for already. I have written to the Conservator at Madras to obtain the sanction to allow you to put the same to account.

As you say your order was given on the 22^d April, and my people have been actually present from the 25th April to 5th May in Poopah waiting for the money, I would request you to make enquiry why the money was not paid before the 30th, or how it came that your order should wait 13 days to reach Poopah instead of 3, as is usual.

Es,

Captain Beddome

Acting Conservator of Forests
Madras

Sir,

I enclose 2 letters, one from the Deputy Collector, and the other a copy of mine in reply, by which, you will see that by some delay or other still under inquiry, Rs 15081.10.4, which were ordered, on the 22^d April, to be paid to me by the Loopah Tahsildar, and which sum I duly receipted, were not received in cash before the 5th Instant. It turned out that the order did, it seems, not reach before the 30th Apr, after which a new order would have been requisite had not this been at the same time the close of the Official year, when no longer any sums can be drawn from the Balvie of the old sanction. This being the case, I have the honor to request you will be so good and obtain the sanction of Government to allow the Deputy Collector to put the same to account in May.
