*Proceedings of the Madras Government, Revenue Department,
21st June 1862.*

No. 321. *PROCEEDINGS OF THE MADRAS GOVERNMENT.*

Dated 21st June 1862, No. 1,368.

1. In their Order of the 11th April 1860, the Government reduced the number of Deputy Collectors sanctioned for this Presidency from 60 to 48, and directed that the funds thus saved should be applied to the improvement of the pay of Tahsildárs.

2. The Governor in Council considers that the reduction of Deputy Collectors was carried somewhat too far, and that the number of these Officers attached to some Districts is too small. It is necessary, therefore, to increase the number of Deputy Collectors slightly, without however exceeding the sum sanctioned for the present Establishment.

3. The following table shows the present and proposed Establishment, after deducting the two fourth class Deputies attached to the North Canara District. The special Deputy Collector at Madras is included in the list:—

	Existing Establishment.		Future Establishment.	
	No.	Total pay.	No.	Total pay.
First Class on Rupees 600 per mensem.....	8	4,800	6	3,600
Second do. do. „ 500 „	12	6,000	12	6,000
Third do. do. „ 350 „	12	4,200	12	4,200

Madras Dy. Collr., 350 „	1	350	...	
	47	18,850	50	18,800

4. By this re-arrangement, three additional officers are obtained and a small saving is effected. The additional establishment required can be provided from the funds at Mr. Pelly's disposal in the revision of Revenue Establishments.

5. The additional Deputy Collectors will be attached to the Districts of Tinnevely, Tanjore and Coimbatore. The Board will make the necessary arrangements with the Collector.

6. These Proceedings will be reported to the Supreme Government when the final result of Mr. Pelly's revision is laid before them.
