Proceedings of the Madras Government, Revenue Department, 23rd June 1862.

No. 342. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests' to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 17th June 1862, No. 61 :—

SIR,

1. With reference to the Government Order No. 1,262 of the 7th June 1862, I have the honor to inform you that until I have inspected the Hunsur forests and also the forests worked by Captain Gib, I would prefer not giving an opinion as to how and by whom these forests should be worked.

2. Captain Gib now has charge of the Mysore and Wainád forests, if the Hunsur forests are to be worked by our Department, it is not probable that he can undertake this efficiently in addition to his present duties. The Hunsur forests might be placed together with Mysore under Captain Gib, and a separate Officer appointed for the Wainád.

3. It is of the utmost importance that the boundaries of the different Government forests in Wainád and the claims of the different Devastanums should be immediately and finally settled we cannot work the forests properly otherwise. I would suggest that the Superintendent of Revenue Survey should be requested to depute an Officer to arrange this in conjunction with the Collector of Malabar and Captain Gib.

No. 343. ORDER THEREON, 23rd June 1862, No. 1,379.

Ordered to lie over till the Acting Conservator of Forests has visited the Hunsur forests and furnished a report on them.

(Signed) P. P. HUTCHINS,
Acting Deputy Secretary to Government.
