*Proceedings of the Madras Government, Revenue Department,
26th June 1862.*

No. 392. Read the following letter from Lieutenant-Colonel S. O. E. LUDLOW, Deputy Chief Engineer in charge of Southern Circle, to Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated Chepauk, 13th June 1862, No. 20 :—

SIR,

2 Proceedings of the Board of Revenue, Nos. 2,122 and 3,650, dated 1st April and 7th June 1862.

- 1 Plan.
- 1 Specification.
- 1 Abstract Estimate.

* Vide Proceedings of Board of Revenue, No. 3,650, dated 7th June 1862.

1. I have the honor to forward, for submission to Government, for sanction, an estimate amounting after correction to Rupees 2,260 for certain repairs and enlargements said to be urgently required to the Collector's Kacheri at Trichinopoly.

2. The repairs to the roof (the condition of which is reported* to be positively dangerous) being indispensably necessary, I have directed the District Engineer to make immediate arrangements for carrying out, and as the Collector so very strongly urges the necessity of the other enlargements and improvements provided for in the estimate, I beg to recommend the whole of the project for sanction.

3. Funds for this work may be provided from the sum of Rupees 20,000 entered in the Budget for 1862-63 for the Married Quarters in the Trichinopoly District, which work has, in letter from Quarter Master General, No. 31, dated 22nd May 1862, been requested to be postponed. But if this cannot be done, I would recommend that the District Engineer be authorized to disburse the amount from the general funds placed at his disposal for expenditure during this year, as the work is one of a very emergent character.

Referred to the Revenue Department for consideration.

Secretary to Government, P. W. D.
