Proceedings of the Madras Government, Revenue Department, 28th June 1862.

No. 429. Read the following letter from W. T. BLAIR, Esq , Acting Inám Commissioner, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Vellore, 16th June 1862, No. 35:—

SIR,

In acknowledging the receipt of the Order of Government, dated 19th May 1862, No. 1,103, I deem it but just to the Deputy Collector Gopalaiya to bring to the notice of Government that, in the case referred to, his remarks were by no means imperfect and did not leave unnoticed any of the facts although they were diffuse and complicated, and being for want of space in the Register mixed up with his remarks in another case, the latter appears to have been read for the former by the Commissioner, Mr. Taylor, who in consequence at first supposed that the purchaser was in possession of the Inám. I can easily understand how the mistake occurred in the Commissioner's Office, and Mr. Taylor's written Memoranda show that he discovered it when going through the case again in Appeal. I regret that Mr. Taylor's brief Endorsement on the Petition should have led to the impression that any of the facts of the case had been omitted by the Deputy Collector, and beg to recommend that he may be relieved from the censure passed upon him under the above supposition. Should the Government desire to see the original Register, I shall forward it for their perusal.

No. 430. ORDER THEREON, 28th June 1862, No. 1,419.

The explanation afforded in this letter in behalf of Deputy Collector Gopaliya is accepted, and he is relieved from the censure passed upon him in paragraph 2 of the Order of Government, dated 19th May 1862, No. 1,103. The error censured by Government appears to have been committed by the Commissioner.
