Dated 1-7-1862	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Revenue Department,
1st July 1862.*

No. 11. Read the following Proceedings of the Board of Revenue, dated 16th April 1862,
No. 2,530 :—

Read the following letter from H. A. BRETT, Esq., Collector of Salem, to W. HUDLESTON,
Esq., Secretary to the Board of Revenue, Chepauk, dated Salem, 15th March 1862,
No. 55.

SIR,

1. Mr. A. Cammiade has applied to me for certain land on the Shevaroy Hills, measuring about 80 acres, for which a Patta was given on the usual terms to Colonel Taylor in Fasli 1264, under the Board's sanction, dated the 15th January 1855, No. 112.

2. It appears that Colonel Taylor never actually occupied this land nor paid any assessment for it; and that in Fasli 1270, the land was attached and put up to auction for the arrears then due on it, but was bought in, in the absence of any bidders. Though, therefore, the land was made over to Colonel Taylor at the usual rate of assessment charged on land taken up for the cultivation of Coffee (viz., one Rupee an acre, after the first five years), no rent was ever actually paid for it.

3. I request the Board will be good enough to inform me whether this land may now be sold to Mr. Cammiade on the terms applicable to unassessed waste.

4. Mr. Cammiade is, I believe, of opinion that the term "assessed waste," is applicable only to those parts of the country in which waste lands have been classed and assessed according to their natural quality.

1. Resolved that the above letter be submitted for the consideration and orders of Government.

2. The Board consider that the uniform tax imposed on the lands required for Coffee cultivation on the Shervaroy Hills is not the kind of assessment contemplated in the new rules, and under all the circumstances of the case recommend that the Collector be directed to entertain Mr. Cammiade's application under the terms for unassessed waste promulgated by the Government of India.

3. The land however can only be registered at present for future disposal as directed in the Proceedings of Government No. 433, dated 27th February 1862.

(A true Copy and Extract.)

(Signed) R. A. DALYELL Sub-Secretary.

ORDER THEREON, 1st July 1862, No. 1,433.

No. 12. 1. The Government concur with the Board in the views expressed in paragraph 2 of their Proceedings.

2. The course proposed in paragraph 3 should be adopted.

(Signed) P. P. HUTCHINS.

Acting Deputy Secretary to Government.

and orders of Government.

The Board consider that the uniform tax imposed on the lands required for Coffee cultivation on the Shewony Hills is not the kind of assessment contemplated in the rules. and under all the circumstances of the case recommend that the Sol. Secy be directed to entertain Mr. Cammiades' application under their terms for unassessed waste promulgated by the Government of India.

The land however can only be registered at present for future disposal as directed in the Proceedings of Government N^o 433 dated 27. Febr. 1862.
