*Proceedings of the Madras Government, Revenue Department,
2nd July 1862.*

No. 22. Read the following Proceedings of the Board of Revenue, dated 21st June 1862,
No. 3,986:—

Read the following letter from G. S. FORBES, Esq., Collector of Ganjam, to W. HUDLE-
STON, Esq., Secretary to the Board of Revenue, Madras, dated Chatterpore, 4th June
1862, No. 118.

SIR,

As the District Engineer has informed me that he cannot spare any of his subordinates for
surveying waste lands applied for under the rules passed by the Governor General, I have the
honor to request that the Board will instruct me how to proceed; there is no survey class now
in this District. As we have already applications registered for about 12,000 acres, there is
occupation sufficient to employ a Surveyor some weeks, if therefore the Board will find a scale
of rates such a man might be temporarily employed on this special duty.

Submitted for the orders of Government. The Board are not sure that in the present state
of uncertainty as to the price to be charged for the waste, Government will consider it expedient
to proceed beyond registration of applications.

(Signed) C. G. MASTER, *Acting Sub-Secretary.*

No. 23. ORDER THEREON, 2nd July 1862, No. 1,439.

The Board should ascertain from the Collectors what survey establishments are likely to be
necessary, and submit a complete scheme after consulting Major Priestley.

(Signed) P. P. HUTCHINS,
Acting Deputy Secretary to Government.
