REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Major H. R. MORGAN, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 4th April 1862, No. 899 :—

SIR,

In reply to Proceedings of Government No. 723 of 2nd instant, I have the honor to state my opinion with reference to the tests which Military Officers seeking appointments in this Department should pass.

1. The period of probation should be one year.
2. Subject of examinations, Accounts, Rudimentary Botany, and Surveying.
3. A certificate from the Professor of Botany, from the Principal of the Civil Engineering College, or Engineer of a District for Survey, and a certificate from the head of this Department for Accounts.
4. Is answered above.
5. } Six months in the Office at the Presidency would afford the means of obtaining the
6. } required knowledge.

ORDER THEREON, 3rd July 1862, No. 1,417.

1. The Governor in Council considers it sufficient to require that Officers seeking employment in the Forest Conservancy Department should pass a good colloquial test in the language of the District in which they may be employed. The test noted in the margin,* and which is that prescribed for Officers of the Mufassal Police by Government Order 13th November 1861, No. 1,374, Judicial Department, will be sufficient.
2. Neither Botany nor Surveying is necessary; and the accounts of the Department are of the simplest kind. A year's probation is desirable.
