Read the following letter from Lieutenant-Colonel J. OUCHTERLONY, Deputy Chief Engineer in charge of Southern Circle, to Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated Chepauk, 21st May 1862, No. 830 :—

SIR,

1. I have the honor to submit herewith an estimate amounting to Rupees 6,100 for constructing a new cart road nine miles long from Ootacamund to a wood called "Deva Shola," where a large supply of fuel is to be obtained to supply the fast increasing demand for this necessary of life in that now extensive settlement.

2. As Government have already had this subject fully before them in their Proceedings under date 23rd December 1861, No. 2,354, I need not take up their time by going over the details of the project again.

3. Government, in Order No. 2,354, sanctioned the entry of Rupees 4,000 in the Budget of 1862-63 for the work in question, and if the estimate now submitted is approved of it will be necessary to allot the balance Rupees 2,100 from the Reserve Fund.

ORDER THEREON, 23rd June 1862, No. 1,441.

The estimate amounting to Rupees 6,100 submitted with the above letter is sanctioned. It is observed that Rupees 4,000 have been provided in the Budget for the current year. Should more be required, a grant can then be made from the Reserve Fund hereafter.
