*Proceedings of the Madras Government, Revenue Department,
8th July 1862.*

No. 113. Read the following Proceedings of the Board of Revenue, dated 27th May 1862,
No. 3,415:—

Read the following letter from C. W. READE, Esq., Collector of South Arcot, to W. HUDLE-
STON, Esq., Secretary to the Board of Revenue, Madras, dated Virdhachallam, 15th
May 1862, No. 82.

SIR,

1. Referring to Board's Proceedings, dated 21st February, No. 1,260, paragraph 4, I beg
to state that I am informed by one of the proprietors of the Filature at Pondicherry, that the
supply of Cotton for their Manufactories is obtained from Wallajabad, Madras, Yanam, and
Cocanada.

2. At present there is no actual guarantee except the declaration of the importer that the
thread imported is of local manufacture. But I do not think that there is any room for fraud.
There are but three descriptions of thread manufactured at the Pondicherry Filatures, Nos. 10, 16
and 24, and these are easily distinguished from those obtained elsewhere both as regards quality
and the length and weight of the Hanks. Besides, the Pondicherry thread being cheaper, is
more sought after than other thread for the description of cloth manufactured with it, and thus
there would appear to be no inducement for fraud.

Ordered to be submitted for the information of Government in continuation of the Board's
Proceedings, dated 21st February 1862, No. 1,260, recorded in the Government Proceedings,
dated 3rd March 1862, No. 468A.

(A true Copy and Extract.)

(Signed) W. HUDLESTON, Secretary.
