MARINE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from JOHN J. FRANKLIN, Esq., Superintendent of Marine; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Marine Department, Fort Saint George, dated 30th May 1862, No. 1,587.

I have the honor to acknowledge receipt of the Proceedings of Government of the 21st instant, No. 1,119, Revenue Department, referred to me in Order of the 27th idem, No. 189; and to state that there appears no objection to the revised list of Ports at which Merchandize may be shipped and landed under Section 24 of Act VI of 1844, provided this revision will not interfere with the provisions of Act XVIII of 1853, specifying the Ports at which Sections 14, 22 and 24 of Act XXII of 1855, are to apply. The last Section prohibits ballast to be thrown overboard in any of the Ports, a precaution which should not be abandoned.

ORDER THEREON, 1st July 1862, No. 170.

The Governor in Council sanctions the publication of the revised list of Ports at which Merchandize may be shipped and landed under Section XXIV, Act VI of 1844, as recommended by the Board of Revenue.

2. This revision will not interfere with the provisions of Act XVIII of 1853, as regards such of the Ports entered in the revised list as appear in the Schedule appended to the Act in question, but it will probably be necessary to pass a supplemental Act regarding such of the Ports as are not entered in the Schedule in question.

3. The Advocate General will be requested to give his opinion on this point.
