*Proceedings of the Madras Government, Revenue Department,
14th July 1862.*

No. 190. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 30th June 1862, No. 1,311 :—

SIR,

I have the honor, with reference to the Official Memorandum of this date calling for the revised Statement of Salt Establishments, to request the permission of the Government to allow me to defer submitting it until I can receive the opinion of Collectors on the changes I propose to make. Since the Establishment was first submitted to Government in 1860 there has been so much inquiry into the Salt Department and several changes have been made, and much local information gained, that I think it would be very desirable to have the matured opinion of the Collectors (strengthened as it would be by the practical knowledge of their Deputy Collectors). On the measure it is my intention to submit to Government. If, however, the Government desire it I can submit the revised Establishment in the course of two or three days; but I think it will be better to defer doing so until about the end of July, by which time I expect to have the answers of the Collectors complete, and the Board also will be better able to judge of the measure.

No. 191. ORDER THEREON, 14th July 1862, No. 1,522.

Under the circumstances represented by Mr. Pelly the Governor in Council approves of his proposal to defer submitting his revised scheme of Salt Establishments until he has obtained replies from all the Collectors to the reference which has been made to them.

(Signed) A. J. ARBUTHNOT,
Acting Chief Secretary.
