*Proceedings of the Madras Government, Revenue Department,
15th July 1862.*

No. 199. Read the following Proceedings of the Board of Revenue, dated 11th June 1862, No. 3,759:—

Read the following letter from V. H. LEVINGE, Esq., Collector of Madura, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated 19th May 1862, No. 99.

SIR,

With reference to the Proceedings of the Board, No. 2,835, dated 5th May 1862, I have the honor to report that the renting of the jungle produce was forbidden by the Government of India, No. 851, dated 11th August 1854, since which time the practice has been discontinued in this District, and I do not think it could be introduced again without its being accompanied by the same oppressions which led to its discontinuance; the wild people and others who live by collecting the natural products are not the persons who, I believe, injure the forests. Clandestine cutting of valuable timber and young trees could be put a stop to by the Forest Department by the display of some activity in that part of their duty.

In Cons. 23th April 1862, No. 2,438. 1. Ordered to be submitted to Government, with reference to paragraph 12 of their Proceedings, dated 25th April 1862, No. 894.

2. The Government remarks appear to have been made under the impression that the jungle produce in Madura is rented out by the Revenue authorities, but this is not the case. The jungle farms were abolished in 1854, under the Orders of Government E. M. C., dated 7th September 1854, with the sanction of the Supreme Government, and the Board No. 1,063, B. D. would in the strongest manner deprecate any revival of this most oppressive and unprofitable source of revenue, and were it even in itself less objectionable, recent events in Cuddapah testify to the inexpediency of placing any such possible instrument of oppression in the hands of subordinates, who are unavoidably so free from control in matters of daily routine as must be the case in the Forest Department.

No. 200. ORDER THEREON, 15th July 1862, No. 1,527.

Under the circumstances stated, the Government cannot revive the practice of renting the Jungle products in Madura. A copy of the Board's Proceedings above recorded will be furnished to the Acting Conservator of Forests for his information, with reference to paragraph 14 of the Annual Report of the operations of his Department during 1860-61, dated 24th September 1861, No. 656.
