Proceedings of the Madras Government, Revenue Department, 19th July 1862.

No. 247. Read the following Proceedings of the Madras Government in the Military Department, dated 3rd July 1862, No. 2,367 :—

Read the following papers.

From the Acting Sub-Secretary to the Board of Revenue, Madras, 21st June 1862, No.——; to the Secretary to Government, Revenue Department.

SIR,

1. With reference to the correspondence noted in the margin, regarding the proposal to transfer the duty of supplying cloth for Table-covers, and Peons' Belts for the Revenue, &c., Departments, to the Agent for Army Clothing, I am directed by the Board of Revenue to request that that Officer may be authorized to supply cloth for these purposes from the Clothing Stores on Indents of Collectors and other Civil Authorities, duly passed by the Board.

Dated 4th October 1861, No. 5,358.

O. M. 21st January 1862, " 35.
" 18th February " " 86.
" 24th May " " 333.

2. Should the Government accede to this proposition, the belts could be made up by the several Departments themselves in the same manner as, it is understood, is done in the case of belts required for the Mofussil Police.

3. By the adoption of this plan the inconvenience of the present system would be obviated, and the Board would be relieved of a duty quite incompatible with their functions.

Referred to the Military Department whence the necessary orders will issue.

(Signed) J. D. SIM,
Secy. to Govt. Revenue Department.

Referred for the consideration and report of the Controller of Military Finance.

24th June 1862.

Report from the Controller of Military Finance, Fort Saint George, 27th June 1862, B.

1. I have the honor, with reference to docket of 24th June 1862, on letter* from the Acting Sub-Secretary to the Board of Revenue, to observe that the Governor in Council in Minutes of Consultation, 18th September 1855, No. 1,238, recorded his objection to the Superintendent and Agent for Army Clothing, being called upon to supply cloth for Peons' Belts and other Office uses, and directed that, cloth for such purposes should be purchased in the Shops.

* Dated 21st June 1862, No. ——.

2. In the Military Department, an estimate of the expense is submitted for sanction of the Inspector General of Ordnance and Magazines, and the amount when passed, disbursed by the Pay Department, and the same principle might, I presume, be observed in the Civil Department.

The Governor in Council concurs in the views expressed by the Controller of Military Finance, whose report will be communicated to the Revenue Department.

(True Extract.)

(Signed) R. HAMILTON, Lieut.-Colonel,
Deputy Secretary to Government.

No. 248. ORDER THEREON, 19th July 1862, No. 1,550.

1. Ordered to be communicated to the Board of Revenue for their information and guidance. They will henceforth be relieved from the duty of supplying Peons' belts and cloth for tables, and the rule in force in the Military Department will be followed.

2. Under this rule the Officers who may hereafter require belts or cloth should submit an estimate of the expense to the Heads of their respective Departments, by whom it will after careful scrutiny be passed if correct. The money can then be drawn and the articles purchased by the Officers themselves. Those Officers who are not subject to any control other than that of Government will submit their estimates direct to Government.

3. The aggregate sum entered in the Budget for 1862-63 for belts and cloth will be available for all those Departments which hitherto received their supplies from the Board of Revenue, but in future Budgets every Officer requiring belts or cloth must provide the necessary funds in his Budget.

(Signed) A. J. ARBUTHNOT,
Acting Chief Secretary.
