Proceedings of the Madras Government, Revenue Department, 31st January 1862.

No. 311. Read the following Extract from the Proceedings of the Government of India in the Financial Department, dated 10th December 1861, No. 14,624:—

RESOLUTION.—From correspondence that has lately passed between the Foreign Department and the Agent Governor General for the States of Rajpootana, it appears that for upwards of a quarter of a century, a Fund called the "Batta Fund" has been in existence in the Mhairwara District, the money belonging to which remained in the hands of the Treasurer of the Deputy Commissioner of that District, without being exhibited in any shape whatever in the Public Accounts. To prevent such irregular proceedings, His Excellency the Governor General of India in Council directs all officers of Government to bear in mind that all transactions to which they, in their official character, are parties, must in future, without any reservation, be brought to account, and all monies be deposited in the Government Treasuries.
