No. 314. *PROCEEDINGS OF THE MADRAS GOVERNMENT.*

Dated 23rd July 1862, *No.* 1,581.

Resolved that the attention of the Board of Revenue be called to the Order of Government, directing that in Statement No. 2, prescribed to accompany the annual Report on District Presses, the previous and current demands should be exhibited in separate columns. These instructions appear to have been overlooked by the Board, for in the Report for 1860-61 both demands are mixed up together in the third column. It is essential to a right understanding of the cash transactions of the Presses that the Government should know what portion of the demand is derived from old arrears, and how much has arisen in the year under report. In the Report 1861-62, which the Government expect at an early date, this omission should be rectified.

Government Order 30th April 1861, No. 969, paragraph 4.

(Signed) P. P. HUTCHINS,
Acting Deputy Secretary to Government.
