SIR,

1. With reference to the Order of Government dated the 9th instant, No. 1,501, Revenue Department, referring for my report as to whether the charge, amounting to Rupees 88-15-8, incurred by the District Engineer at Tanjore for the survey of the boundaries of the new Táluqs in that District, can be met from any savings in the Public Works Budget for 1861-62, I have the honor to state that the charge in question is properly debitable to the Revenue* Department and not to Public Works.

* B. I. 1 Land Revenue including Sayer and Abkári.

2. As the amount is trifling, it can be met from the savings in the item "Miscellaneous" Land Revenue charges; under which head there is a saving of about Rupees 2,800, as shown in the margin, in the District of Tanjore.
