Proceedings of the Madras Government, Revenue Department, 31st July 1862.

No. 412. Read the following Proceedings of the Board of Revenue, dated 15th July 1862, No. 4,565:—

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Calicut, 24th June 1862, No. 128.

SIR,

1. In my letter of the 18th instant, No. 122, I informed the Board of the transfer of the Táluq Treasury at Cochin to the branch Bank there. As the greater part of the work of the Account Department is consequently got rid of, a reduction in the Táluq Establishment, amounting to Rupees 30 per month, may in my opinion be effected.

1 Gumáshta 15 Rupees.
1 Shroff 15 „
Total 30 Rupees.

2. I have not been informed whether it is the intention of Government to make any allowance to the Bank. The Agent appears to think that an allowance of Rupees 30, and the interest of the average balance will not be in proportion to the trouble entailed on the Bank by the charge it has undertaken: Government have distinctly intimated that the allowance made in such cases is not to exceed the saving effected by the transfer.

3. I await the Board's order regarding reduction in the Táluq Establishment.

4. The Agent has further suggested that the Bank be permitted to draw upon the Calicut Treasury, and to make remittances to me in Bills on Calicut. I have recommended to the Accountant General the adoption of this suggestion to such extent as the state of funds in the Hoozoor Treasury may from time to time admit of.

---

1. Ordered to be submitted for the information of Government, with the Board's recommendation that the proposed reduction in the Táluq Establishment, be sanctioned.

2. The other points raised by the Collector do not come within the Board's province.

(Signed) W. HUDLESTON, *Secretary.*

No. 413. ORDER THEREON, 31st July 1862, No. 1,631.

The reduction proposed is sanctioned.
