Proceedings of the Madras Government, Revenue Department, 31st July 1862.

No. 416. Read the following Proceedings of the Board of Revenue, dated 19th July 1862, No. 4,695:—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Tenkasy, 4th July 1862, No. 269.

SIR,

I have the honor to forward copy of a Memorandum received from the Officiating Civil Paymaster, dated the 24th ultimo, No. 828. The Civil Paymaster refuses to pass the Bills for the salary of Dr. Reed for the months of April and May 1862, as no provision has been made in the Budget of the current year, and suggests that the amount may be paid out of the saving of Rupees 5,583 in the said Budget, for medical contingencies of the Revenue Department. I therefore beg to request that sanction of Government may be obtained accordingly.

ENCLOSURE No. 1.

Official Memorandum from W. J. RAYNOR, Esq., Officiating Civil Paymaster, to J. SILVER, Esq., Collector of Tinnevelly, dated Fort Saint George, 24th June 1862, No. 828.

Returned unaudited for want of provision in the Budget for the current year. The Acting Accountant General suggests that this allowance may be passed out of a saving of Rupees 5,583 in the said Budget, for Medical Contingencies of the Revenue Department, and it will be passed against such savings upon the special sanction of Government to the same being obtained by the Collector.

(True Copy.)

(Signed) J. SILVER, *Collector.*

Ordered to be submitted to Government, with the Board's recommendation that sanction be granted for the disbursement of the allowance to Dr. Reed for his services at Tuticorin during the Pearl Fishery with reference to the Order of Government, dated 25th February 1862, No. 411, the charge to be met out of the saving of Rupees 5,583 in the Budget for 1862-63 for Medical Contingencies in the Revenue Department, as proposed by the Acting Accountant General.

No. 417. ORDER THEREON, 31st July 1862, No. 1,633.

It appears from the letter from the Collector of Tinnevelly read in the Proceedings of the Board of Revenue above recorded, that the Civil Paymaster refuses to pass bills for the salary of Dr. Reed for the months of April and May 1862. The Board state that these bills refer to the allowance payable to Dr. Reed for his services at Tuticorin during the Pearl Fishery. This Fishery it is observed commenced on the 3rd March and "finally closed on the 16th April 1862." Under these circumstances the Governor in Council cannot understand how any allowance can be claimed for May 1862, and further explanation is requisite on this point.

Vide paragraph 2, Board's Proceedings, dated 8th July 1862, No. 4,390.

Acting Chief Secretary.
