*Proceedings of the Madras Government, Revenue Department,
1st August 1862.*

No. 5. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 19th June 1862, No. 71 :—

SIR,

1. With regard to paragraph 1 of the Government Order No. 1,259 of the 7th June 1862, I have the honor to bring to the notice of Government, that the Statement prepared in accordance with their Order No. 343 of the 14th of February 1861 has just been sanctioned* by the Supreme Government. No travelling allowance is provided for the Assistant in charge of the Mudumallai range; I would now suggest that he be allowed to draw a consolidated travelling allowance of Rupees 90 per mensem, as sanctioned by the Order alluded to, instead of that proposed in Major Morgan's Estimate, No. 870, dated 30th of March 1862, and sanctioned by Government in their Order No. 933, dated 1st May 1862.

2. The Mudumallai Assistant will then draw on the same scale as the other Assistants, and accounts will be much simplified.

No. 6. ORDER THEREON, 1st August 1862, No. 1,638.

1. Major Morgan provided in the Budget for 1862-63 a sum of Rupees 1,800* on account of the travelling allowance of the Assistant Conservator in charge of the Mudumallai Forests, and in paragraph 3 of their Proceedings of 1st May 1862, No. 933, the Government, in passing this item, desired the Board of Revenue, while auditing the accounts of the year, to see that the actual charge was moderate, and that the allowance was not drawn when unnecessary.

2. In the foregoing letter, Captain Beddome suggests, as a preferable plan, that the Assistant Conservator should be allowed to draw a consolidated travelling allowance of Rupees 90 per mensem, being the rate approved for the 1st and 2nd class Assistants of the Department.

3. This course seems proper, now that the Segoor and the Mudumallai Forests and the Neilgherry Sholas are all† placed under the supervision of the Officer in question; and as the charge involved thereby can be met out of the grant of Rupees 1,800 mentioned above, the Governor in Council is pleased, under paragraph 43 of the letter from the Government of India of 21st June 1862,† No. 4,089, to sanction the arrangement in supersession of that authorized in the *Order of 1st May 1862.

(Signed) A. J. ARBUTHNOT,
Acting Chief Secretary.
