*Proceedings of the Madras Government, Revenue Department,
2nd August 1862.*

No. 21. Read the following letter from H. A. MANGLES, Esq., Acting Accountant General, to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, dated Fort Saint George, 24th July 1862, No. 123:—

SIR,

1. I have the honor to enclose copy of a letter from the Deputy Collector of Madura, dated the 16th instant, No. 379, and to state that no specific provision has been made in the Original nor Supplemental Budget Estimates of that District on account of the Sea Custom Establishment at Paumben, amounting to about Rupees 1,120 per annum. The reason of this omission is stated in his letter under reference, and it does not appear that the Revenue Department orders of Government dated 2nd October 1861, No. 1,904, which cancelled those dated 19th December 1848, had been communicated to the Collector; in which former Order the full cost of the Establishment in question was directed to be debited to the Revenue Department, and not in portions, as was before the practice, to the Marine and Magisterial Departments.

Amount of grant.....	RS 1,86,663
Do. expended.....	1,56,130
Savings.....	30,533

2. As there is a large saving in the Budget of 1861-62 under the head B I 3 Customs, as per margin, I would suggest that authority be given to the Civil Paymaster to pass the charge under notice, against these savings.

No. 22. ORDER THEREON, 2nd August 1862, No. 1,646.

Under the circumstances stated the Governor in Council approves the suggestion of the Accountant General, that the cost of the Sea Custom Establishment at Paumben for 1861-62 be charged to the savings under the head "B I Customs" in the Budget for that year.

(Signed) P. P. HUTCHINS,
Acting Deputy Secretary to Government.

From

J. Cornelius Pillay
Deputy Collector Madras.

To

H. A. Mangla Esquire
Acting Accountant General
Fort St. George.

Sir

I have the honor to bring to your notice,
that the Civil Auditor to whom was submitted for
audit the accompanying supplemental abstract
for 2nd portion of Salaries of the Sea Customs Establishment
at Panvel Choukey amounting to Rs 750-4-7
for the past Official year 1861-62, has returned it
unaudited with his Official Memorandum of the
14th Ultime, Viz: Returned to be retransmitted
with the explanation of the circumstances under which
the Bill was not submitted for audit before and
for information as to what particular item of the
Budget of 1861-62 includes this charge.

(On the 31st July 1861 an Estimate
for Rs 1914 for the salaries of the above Establish-
ment was forwarded to the Superintendent of
Marine with reference to his requisition dated
the 16th May of the same year entered at the
foot of the Proceedings of the Madras Government
Financial Department No. 346 of the 6th idem.
Hence no provision for this item was made in the
supplemental

Supplemental Budget for 1861/62 forwarded
by the Collector on the 23^d August 1861, in which
a. P. S. has been appended that under the
supposition that provision should have been
made by the Superintendent of Marine for
 $\frac{2}{3}$ portion of salaries of the Sea Customs Estab-
lishment at Pambour - the same was not
included in the Supplemental Estimate.

Sanction of the Government of India
having not been furnished by the Superintendent
of Marine for the Charge, a reference was made
from this Office to him on the subject on the
17th ultimo N^o. 318 and in reply he stated
that under Orders of Government in the Rev.
Department of the 2^d October last N^o. 1904
it has not been provided for in the Marine
Budget.

Moreover I further beg to bring to your notice that of the whole amount of salaries of the Establishment in question $\frac{2}{3}$ portion was charged to the annam and $\frac{1}{3}$ to the Magisterial Departments under orders of Government dated the 19th December 1848.

Under the above Circumstances
I beg you will be so good as to instruct the
Civil Auditor to pass the Charge referred
to above with a view to the reimbursement
of the advances entered in the Column —
unadjusted

unadjusted in the Cash accounts throughout
the year 1861/62.

I have the honor to be Dear Sir
