Proceedings of the Madras Government, Revenue Department, 2nd August 1862.

No. 23. Read the following Proceedings of the Board of Revenue, dated 24th July 1862, No. 4,802 :—

Read the following letter from G. THORNHILL, Esq., Collector of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Masulipatam, 12th July 1862, No. 144.

SIR,

1. I have the honor to request the orders of the Board on the following subject relative to an Inám situated in the bed of a tank.

2. In the village of Tadikonda in Guntoor Táluq of this District, an Inám land consisting of 25 Acres and 25 Cents belonging to Kedambee Narsimha Charlu was entirely submerged by the water of a tank in Fasli 1256 (1846-47), when the latter was repaired at the expense of Government. It does not appear that any land has ever been given to the Inámdár in lieu of the above. The Inám Commissioner, after inquiry, granted a Title Deed, No. 750, herewith* sent, for the abovementioned Inám to the sons† of the said Narsimha Charlu bearing a quit-rent of Rupees 4 a year.

* To be returned.

† 1. Kedambee Kistna Charlu.
2. Do. Ranga Charlu.
3. Do. Srinivassa Charlu.
4. Do. Tiruvengala Charlu.

3. The Patta holders have now applied for land in exchange for the submerged Inám. It is nearly sixteen years since the Inám fell under the tank. The Tahsíldár of Guntoor Táluq has reported that in Tadikonda village, there are no waste lands fit for cultivation. The value of the Inám‡ in question is Rupees 32 at Rupees 1-4-3 per Acre according to the average rate adopted by the Inám Commissioner, and I therefore solicit the permission of the Board to assign to the Inámdárs A. 19, G. 0, C. 38 of land equal in value to the whole submerged Inám from the Seri land in the village, now under cultivation, which the present occupants are willing to part with. The long absence of the Inámdárs in distant countries has caused the delay in the settlement of their claims.

‡ Acres 25, G. 25.

---

1. Ordered to be submitted for the consideration of Government.

2. The delay in preferring the claim has been such as to deprive the parties of all ground of complaint, but as the Inám Commissioner has issued a Title Deed, the Board would recommend that its validity be confirmed by sanctioning the proposed arrangement.
