SIR,

1. With reference to paragraph 5, Board's Proceedings 10th instant, No. 2,982, and their Order of the 22nd instant, No. 3,318, I have the honor to state that their orders of the 6th April 1861, No. 1,781, have accidently been quite overlooked.

2. No parties, other than Messrs. Cammiade, have taken Salt in advance upon deposit of negotiable securities, and that Firm has lodged with me Government Bonds, blank endorsed, to the amount of 1,50,000 Rupees, but no formal agreements have been executed by them.

No. 63. ORDER THEREON, 5th August 1862, No. 1,667.

The increase in the price of Salt renders it desirable that every facility should be held out to dealers in that article, and that the system approved by the Government in 1857* of purchasing Salt on the deposit of Government and other securities should be brought into early operation in all the Salt manufacturing Districts. The Rules and Forms of Agreement in connection with this system referred to in the first of the papers above recorded, it is observed, were forwarded to the Board of Revenue with the Order of Government of 23rd March 1859, No. 388. The Governor in Council will be prepared to sanction the circulation of these Rules and Forms on their being re-submitted by the Board with any simplifications which they may now think fit to recommend. The Board will be good enough to give their early attention to the subject.

(Signed) T. PYCROFT,
Chief Secretary.
