No. 84. Read the following Proceedings of the Board of Revenue, dated 22nd July 1862, No. 4,734:—

Read the following letter from J. I. MINCHIN, Esq., Collector of Kurnool, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated 4th July 1862, No. 67.

SIR,

1. In forwarding the accompanying Memorial, I trust I shall not be liable to censure for re-opening a question once finally settled.

2. The Government, when they were pleased to restore Soobrayloo Naidoo to his former class as Deputy Collector, past without notice that portion of his Memorial which prayed for the restoration to him of his arrears of pay from the date of his degradation.

3. Upon this point Soobrayloo Naidoo has recently besought me again to forward his Memorial. I have already recorded my opinion of this Officer's integrity and industry, and it would certainly afford me pleasure if the Board and Government could find means to relieve a deserving public servant from the penalty which he incurred at the outset of his new career, more I believe through inexperience than from radical unfitness for its duties.

ENCLOSURE No. 1.

From M. SOOBRAYLOO NAIDOO, Deputy Collector of Kurnool, to the PRESIDENT and MEMBERS of the Board of Revenue, Chepauk, dated 3rd July 1862.

The humble Memorial of M. Soobrayloo Naidoo, Deputy Collector of Kurnool.

RESPECTFULLY SHEWETH,

1. With all deference, and every sentiment of respect, your Memorialist begs leave to state that he had submitted to your Board a Memorial under date the 1st April 1862, wherein he gave a detailed account of his grievances, and therefore he refrains to recapitulate the same.

2. That your Memorialist resigned an office of great emolument from the Madras Supreme Court, upon the strength and faith of the statement of the late Governor His Excellency Sir Charles Trevelyan conveyed in a letter* of his Private Secretary, dated 6th August 1859, and from a firm hope, that the promise therein held out for promotion, will be fulfilled, should your Memorialist's superior certify, that he had discharged his duties, to his approbation.

* Prays to be returned with the Testimonial granted by Mr. Elton, the late Collector of Nellore, which is still detained in the Board's Office.

3. That your Memorialist further begs to observe, that his superior, Mr. Minchin, has forgotten to bring to the notice of your Board, his claim for arrears of pay, to which he is justly entitled.

4. That your Memorialist not having been transferred to a District some way conducive to his health, as often recommended by your Board, and being compelled to travel from Nellore to its adjacent Táluqs against the opinion expressed by the District Surgeon, has lost the little property, which he had saved by his former employment, in Her Majesty's Supreme Court in defraying the expenses of travelling, and paying for Medical attendance and treatment.

5. That your Memorialist since restored to his own class is not only discharging the duties of the Magistracy, and the Revenue of his own two Táluqs, but also the trying duties of the Treasury charge, entrusted to him from the date of the leave granted to D. Timmapah, the Deputy Collector, who was in charge of the Treasury, and your Memorialist trusts that his superior Mr. Minchin, will never refrain from bearing testimony to the zeal and unremittent attention with which he is discharging his duties in this Department.

6. That your Memorialist under this explanation fully hopes that your Board will, in consideration of his industry, and integrity, in the discharge of public duties, have mercy in his case and at least recommend that his arrears may be paid to him from the date of his unmerited degradation.

And your Memorialist as in duty bound shall ever pray.

The Board observe that the terms of the Government Order, dated 9th May 1862, No. 1,033, Revenue Department, must be held to have disposed of the claim for arrears as well as of that for restoration, but they will not withhold these papers from the consideration of Government.
