Proceedings of the Madras Government, Revenue Department, 11th August 1862.

No. 124. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, dated Madras, 5th July 1862, No. 1,320:—

SIR,

1. With reference to paragraph 4 of the Proceedings of Government, dated 14th June 1862, No. 1,314, I have the honor to submit a Tabular Statement in the form prescribed by the Government of India, showing in detail the present and proposed establishments of the District Post for each of the Collectorates in this Presidency. North Canara having been transferred to the Bombay Presidency, the cost of the establishment provided for it in my former scheme has been omitted, such portion of it only as appertains to the Cundapoor Táluq, now attached to South Canara, being retained.

2. The details of routes on which runners are to be employed in each District and of Táluqs, Kasbahs and other Stations in which Gumashtas and Peons are to be entertained, are given in the Statement which was submitted to Government with my letter, dated 20th March 1862, and as a repetition of all these details in the present Statement would make it very bulky, I have thought it proper to enter in it only the different servants proposed for each District, I hope this arrangement will meet with the approval of the Government.

3. It will be seen from the Statement, which excludes North Canara, that the cost of the present establishment per annum is Rupees 80,667, while that of the proposed establishment is Rupees 1,12,590, causing an annual increase of Rupees 31,923.

4. As directed in paragraph 4 of the Order of Government, I beg to forward herewith a separate Memorandum, furnishing in respect to the proposed establishment, information on the several points indicated by the Government of India in their Circular of 15th March 1862.

No. 125. ORDER THEREON, 11th August 1862, No. 1,700.

1. With this letter Mr. Pelly submits, with reference to paragraph 4 of the Proceedings of Government 14th June 1862, No. 1,314, a Tabular Statement showing the present and proposed Postal Establishments for each of the Collectorates in this Presidency with the exception of North Canara.

2. On examining this Statement, the Government notice some differences between it and the Statement No. 1 forwarded with Mr. Pelly's letter of 20th March last, No. 1,210, in the particulars of the proposed establishments for the Godavery and Tinnevelly Districts. For Godavery, an item of Rupees 8 for four boatmen inserted in the original Statement does not appear in the present one. For Tinnevelly, the proposed establishment is given in the original Statement as 1 Huzur Gumashta, 12 Táluq Gumashtas, 13 Peons and 64 Runners, and in the present one as 1 Huzur Gumashta, 14 Táluq Gumashtas, 11 Peons and 34 Runners.

3. The Statement will be returned to Mr. Pelly in view to explanation being furnished on the above points, and to the Statement being corrected if necessary. Mr. Pelly will also include in it the two runners for the North Arcot District sanctioned in the Order of Government 31st July last, No. 1,629.
