Proceedings of the Madras Government, Revenue Department, 14th August 1862.

No. 155. Read the following letter from H. A. MANGLES, Esq., Acting Deputy Auditor and Accountant General, to A. J. ARBUTHNOT, Esq., Officiating Chief Secretary to Government, dated Fort Saint George, 30th July 1862, No. 130:—

SIR,

I have the honor to enclose copy of a letter from the Deputy Collector in charge of the Treasury at Tanjore, dated the 22nd instant, No. 502, stating that the Civil Paymaster has disallowed a sum of Rupees 36-0-8 from his Contingent Bill for March 1862 on the ground that it is in excess of the provision made to meet charges for remitting treasure. As there is a considerable saving in the Budget for 1861-62 under F IX Miscellaneous, and also under the minor head "Charges for remitting Treasure," in the aggregate, I would beg to suggest that the Civil Paymaster be authorized to pass the charge against the savings.

From M. SADASIVA PILLAI, Deputy Collector in charge of the Treasury, Tanjore, to the Accountant General, Fort Saint George, dated Tanjore, 22nd July 1862, No. 502.

SIR,

1. I have the honor to apply to you for instructions regarding an item of charge amounting to Rupees 36-0-8, which the Civil Paymaster has disallowed from the Contingent Bill for March 1862, on the ground that it is in excess of the provision made for that particular head of expenditure in the Budget of 1861-62.

2. The item in question is represented in the Budget under F. Civil Services IX Miscellaneous, by the entry "Charges for remitting Treasure Rupees 1,760."

3. This provision, however, was made in your own Office as none was entered in the original Estimate sent up from this Office, because it was thought that the form first issued to Collectors contained no head which could embrace this item. At any rate the excess objected to by the Civil Paymaster is not more than about 2 per cent. of the Budget provision, and as I presume it is not intended to retrench every Rupee spent over the amount estimated, I beg to request you will be so good as to take steps to have the excess in the present case passed by the Civil Paymaster to enable me to adjust the advance outstanding in the accounts to the above extent.
