SIR,

1. I have the honor to submit herewith an estimate amounting to Rupees 530, for constructing a Record Room in the compound of the Táluq Kacheri at Dharampuram in the Coimbatore District, for which I request sanction out of the General Funds.

2. The project is approved of by the Collector and also by the Board of Revenue, who however in recording their approval* suggested the expediency of connecting the new building with the Kacheri itself. This arrangement however proves to be impracticable except at an incommensurate cost, as Government will observe by the correspondence entered in the Board's Proceedings, No. 4,766, under date 22nd July 1862 of which Estimate is enclosed.

* Extract Proceedings, No. 2,868, dated 6th May 1862.
