J. D. Sims Esq.

Secy to Genl. Secy Department

Sir

I have the honor to acknowledge the receipt
of the Genl order ^{N^o 1507} of the 10th of July 1862.

2. During the two years that Capt Brine
has held the appointment of Conservator of
the Anumallay Forests, his health has allowed
him to be, but a very short period in the
Forests, the revenue has consequently fallen off.

3. I consider it absolutely necessary that
the Superintendent should remain in the forests
during the whole of the working season neither
the Cart Contractors nor the axemen are likely
to perform the work required, if the Superin-
tendent absents himself; he should therefore
be a young Officer of strong constitution
and should be both physically able, and
willing to undertake the work required.

4. The revenue of these Forests, from the
great rise in the price of labor, and from
the loss of the ready market which the
Bombay Dockyard afforded, is not
likely to be very great in future, I am
opposed therefore that the forest can
not afford the Superintendence of a
Captain.

I have the honor to be
Yours faithfully
Signed R. H. Beddome Capt
Offy. Conserv. of Forests
