*Proceedings of the Madras Government, Revenue Department,
23rd August 1862.*

No. 309. Read the following letter from H. A. MANGLES, Esq., Acting Accountant General, to T. PYCROFT, Esq., Chief Secretary to Government, Revenue Department, dated Fort Saint George, 14th August 1862, No. 159 :—

SIR,

1. With reference to the Order of Government in the Revenue Department, No. 862, dated 17th April last, I have the honor to transmit herewith the Budget Estimate for 1862-63 on account of the Condapoor Tálug lately transferred from North to South Canara, when the former District was ceded to Bombay. The estimated receipts and charges of this Tálug have already been included in the North Canara Budget, and consequently application should be made to the Government of India for the transfer of such sums as are provided under the several heads from the corresponding heads in the Budget Estimate of North Canara. In preparing the Budget Estimate in question, the revised classification of heads has been adopted, while the North Canara Budget was prepared according to the old classification. The amount provided under B IV Miscellaneous Payments, and F VII Superannuation and Retired Allowances and Gratuities for Charitable and other Purposes in the former estimate, will have to be met from the provision made in the latter under BI 10 Miscellaneous, and BI 9 Superannuation and Retired Allowances.

2. I beg to mention that the charges estimated on account of the pay* of the Village Establishment are excluded in the Budget in question, as no provision was made in the North Canara Budget on that account. The Board observe in their Proceedings No. 4,934, dated 30th ultimo (copy of which is herein enclosed), that a Supplemental Budget Estimate should be submitted to the Supreme Government for the charge in question as it must be met from Imperial Funds, there being no separate fund established in this or any other District for the payment of Village Establishments, but I have postponed the submission of the Supplemental Budget for the Condapoor Tálug as similar charges have been omitted to be provided for in other Districts, viz., Tanjore and Malabar. The Board have been requested to furnish me with a complete estimate on this account; and so soon as it is furnished it will be forwarded to you for transmission to the Government of India.

3. I beg further to inform you that other alterations have been made in this Office, viz., the amounts† noted in the margin have been transferred from BI 1 Land Revenue including Sayer and Abkarree, to F II Salaries and Expenses of Public Departments, and F III Law and Justice, respectively.
